

Building Permit Package

Minor Alterations or Accessory Buildings

(Carports * Porches * Decks * Sheds * Garages)

***** IMPORTANT NOTICE*****

Before proceeding with a building permit application, please make an appointment with our planning department for a zoning review.

A zoning review will determine if your proposed building meets all zoning requirements and will identify any land use issues before you proceed.

Compliance with the zoning by-law is a required part of the building permit process. All zoning requirements must be met before a building permit can be issued.

Please contact the planning department at 905-355-2821 ext. 242 or by email at vheffernan@cramahe.ca
