SECTION 1 – BY-LAW INTERPRETATION AND ADMINISTRATION

1.1 TITLE OF BY-LAW

This By-law may be cited as "The Township of Cramahe Comprehensive Zoning By-law".

1.2 SCOPE

The provisions of this By-law shall apply to all lands within the limits of the Corporation of the Township of Cramahe.

1.3 APPLICATION CONFORMITY

Except as provided by the *Planning Act*, R.S.O. 1990, as amended, no building, structure or land shall be used, and no building or structure shall be hereafter erected, structurally altered or enlarged within the limits of the Municipality as now hereafter legally constituted except in conformity with this By-law.

No lands shall be severed from any existing lot if the effect of such action is to cause the original, adjoining, remaining or new building, structure or lot to be in contravention of this By-law.

Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

1.4 MINIMUM AND MAXIMUM REQUIREMENTS

In their interpretation and application, the provisions of this By-law are held to be the minimum and maximum requirements adopted for the promotion of public health and safety, land use compatibility and general welfare.

1.5 INTERPRETATION

Unless the contrary intention appears in this By-law, words importing the singular number or the masculine gender only, include more persons, parties or things of the same kind than one, and females as well as males, and the converse. Words used in the present tense include the future, and the word "shall" is mandatory and not directory.

"Illustrations" and "Notes" contained in this document are provided for information and convenience, and do not form part of this By-law.

1.6 COMMITTEE OF ADJUSTMENT

Where the uses of land, buildings or structures permitted in the By-law are defined in general terms, the Committee of Adjustment may permit the use of any land, buildings or structures for any purpose that, in the opinion of the Committee, conforms to the uses permitted in this By-law.

1.7 ZONING ADMINISTRATION

This By-law shall be administered and enforced by the By-law Enforcement Officer, as appointed by Council.

1.8 BUILDING PERMITS

Notwithstanding the provisions of the Ontario Building Code or the Corporation's Building By-law or any other By-law of the Corporation, no building permit shall be issued where the proposed building, structure, or use would be in violation of any of the provisions of this By-law.

1.9 INSPECTION

(a) Conditions of Entry:

Subject to clause (b) of this subsection, the By-law Enforcement Officer, Chief Building Official, or any other authorized officer or employee of the Corporation, is hereby authorized to enter, at all reasonable hours, upon any property or premises for the purpose of carrying out his duties under this By-law;

(b) Restrictions for Entry of Dwelling:

Notwithstanding any provision of clause (a) of this subsection to the contrary, no officer or employee of the Corporation shall enter any room or place being used as a dwelling or part thereof without the consent of the occupant except under the authority of a search warrant issued pursuant to the *Provincial Offences Act*.

1.10 APPLICATION OF OTHER STATUTES AND BY-LAWS

Nothing in this By-law shall relieve any person from the obligation to comply with the requirements of the *Ontario Building Code Act* or of any By-law of the Township of Cramahe in force from time to time, or the obligation to obtain any license, permit, authority or approval required under any By-law of the Township of Cramahe.

1.11 VALIDITY

If any section, clause or provision of this By-law, including anything contained in the Zone Schedules attached hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the By-law as a whole or any part thereof, other than the section, clause or provision so declared to be invalid and it is hereby declared to be the intention that all the remaining sections, clauses or provisions thereof shall have been declared to be valid.

1.12 LITIGATION

This By-law does not affect the rights of any party in any action, litigation or other proceeding pending on the date of the final passage thereof, except to the extent to be determined in the final adjudication of such action, litigation or other proceedings.

1.13 APPLICATION FOR BUILDING PERMITS

In addition to the requirements of the Building By-law, every application for a building permit shall be accompanied by a plan in duplicate, drawn to scale and showing the following:

- (a) The true shape and dimension of the lot to be used or upon which it is proposed to erect any building or structure;
- (b) The proposed location, height and dimensions of any building, structure or use proposed for such lot;
- (c) Proposed location and dimensions of any yards, setbacks, landscaping, off-street parking spaces or off-street loading facilities required by this By-law;
- (d) The location of all existing buildings or structures on the lot; and
- (e) A statement signed by the owner or his agent duly authorized thereunto in

writing, filed with the building inspector, disclosing the current and intended use of each building and structure or part thereof, the sanitary facilities available and all information necessary to determine whether or not such proposed or existing buildings structure or use conforms to the requirements of the By-law.

1.14 METRIC VALUES AND IMPERIAL CONVERSIONS

This By-law has been prepared in metric with imperial conversion (rounded) provided for information only. The metric value shall be utilized for any specific provision or regulation contained in this By-law or as it may relate to another provision or regulation contained in this By-law.

SECTION 2- ZONE CLASSIFICATION

2.1 ZONES

For the purposes of this By-law, the whole of the Township of Cramahe is divided into various zones as named and described in the following sections, the boundaries of which are shown on Schedule “A” (which is comprised of Maps 1 to 27) and Schedules “A-1”, “A-2”, “A-3”, “A-4”, “A-5”, and “A-6”, all which are attached to and form part of this By-law.

2.2 ZONE CLASSIFICATION

For the purposes of this By-law, reference may be made to individual zones or categories of zones as set out below:

2.3 ZONE SYMBOLS

The Symbols listed in Section 2.2 may be used to refer to buildings and structures, the use of lots, buildings and structures permitted by this By-law in the said zones, and whenever in this By-law the word "zone" is used, preceded by any of the said symbols, such reference shall mean any area within the Corporation within the scope of this By-law, delineated on a Schedule and designated thereon by the said symbol.

2.4 INTERPRETATION OF ZONE SCHEDULES

For the purpose of this By-law all land within the Township of Cramahe is hereby divided into use zones as set out in Section 2.2 and Schedules "A" and "A-1" to "A-6", inclusive, and the zone boundaries are:

- (a) The centreline of any road, right-of-way or watercourse or a part of any waterbody; or,
- (b) The lot line as indicated on a registered plan of subdivision, or a Township survey plan; except that,
- (c) In the absence of either of the above, the zone boundary is the distance as scaled from the Zone Schedule.
- (d) Notwithstanding the above, the boundary of the Oak Ridges Moraine Conservation Plan Area shall be scaled from the attached Schedules.

2.5 ROAD ALLOWANCES AND RIGHTS-OF-WAY

A road allowance, utility transmission right-of-way or watercourse is, unless otherwise indicated, included within the zone of the adjoining property on either side thereof, and where such road allowance, right-of-way or watercourse serves as a boundary between two or more different zones, a line midway in such road allowance, right-of-way or watercourse and extending in the general direction of the long division thereof is considered the boundary between zones, unless specifically indicated otherwise.

2.6 ROAD AND RIGHT-OF-WAY CLOSINGS

In the event a dedicated road or right-of-way shown on the map is closed, the property formerly in said road or right-of-way shall be included within the zone of the adjoining property on either side of the said closed road or right-of-way and the zone boundary shall be the former centre line of said road or right-of-way.

2.7 SPECIAL ZONES AND PROVISIONS

Where the zone symbol shown on certain lands on a Schedule is followed by a dash and a number, for example, "RU-1", then special provisions apply to such lands. Lands zoned in this manner shall be subject to all of the provisions of the By-law except as otherwise provided by the special provisions of the special zone.

SECTION 3 - DEFINITIONS

PART 3A of this Section contains terms and definitions which shall apply throughout the defined area of this By-law. PART 3B of this Section contains additional terms and definitions which shall also apply within the area designated “Oak Ridges Moraine Conservation Plan Area” on the Maps comprising Schedules A-22, A-23 and A-24. Where there is any conflict between the definitions in Part 3B and those in Part 3A, as they apply to the area designated “Oak Ridges Moraine Conservation Plan Area” on the Maps comprising a part of this By-law, the definitions in Part 3B shall prevail.

PART 3A - GENERAL

For the purpose of this By-law, the definitions and interpretations provided in this section shall govern unless the context indicates otherwise.

3.115 LOT means a parcel or tract of land described in a deed or other legal document which is legally capable of conveying title and:

- (a) which is a whole lot within a registered plan of subdivision, other than a registered plan of subdivision which has been deemed not to be registered plan of subdivision under a By-law passed pursuant to Section 50 of the *Planning Act*, 1990, as amended; or
- (b) which is a legally separated parcel of land in existence on the date of passing of this By-law without the owner holding the fee or the equity of redemption in, or power or right to grant, assign or exercise a power of appointment with respect to any abutting land; or
- (c) the description of which is the same as in a deed which has received final consent to a conveyance pursuant to Section 53 of the *Planning Act*, 1990, as amended; or
- (d) is the whole remnant remaining to an owner or owners after a consent to sever has been granted pursuant to Section 53 of the *Planning Act*, 1990, as amended, with respect to all other adjoining lands of the owner or owners provided that the consent or consents mentioned above have not lapsed under Subsection 53 (43) of the *Planning Act*, 1990, but for the purpose of this paragraph no parcel or tract of land ceases to be a lot by reason only of the fact that a part or parts of it has or have been conveyed to or acquired by the Township of Cramahe, the County of Northumberland, Her Majesty in the Right of Ontario, or Her Majesty in the Right of Canada; or,
- (e) which is the subject of an order of the Minister of Municipal Affairs and Housing pursuant to the provisions of Section 50 of the *Planning Act*, 1990, as amended.

3.116 LOT AREA means the total horizontal area bounded by the lot lines of a lot, excluding the horizontal area of such lot covered by water or marsh. In the case of corner lots having a road line rounding at the corner of a radius of 6.1 metres (20 ft.) or less the lot area of such lot shall be calculated as if the lot lines were

produced to their point of intersection.

3.117 LOT, CORNER means a lot situated at the intersection of two streets, of which two adjacent sides, that abut the intersecting streets, contain an angle of not more than one hundred and thirty-five (135) degrees; where such adjacent sides are curved, the angle of intersection of the adjacent sides shall be deemed to be the angle formed by the intersection of the tangents to the street lines, drawn through the extremities of the interior lot lines, provided that in the latter case, the corner of the lot shall be deemed to be that point on the street line nearest to the point of intersection of the said tangents.

3.118 LOT COVERAGE means that percentage of the lot area covered by buildings and structures above ground level and excludes that portion of such lot area which is occupied by a building or portion thereof which is completely below ground level. Lot coverage shall not include balconies, canopies and overhanging eaves, provided none of the foregoing is less than 2.5 metres (8.2 feet) above the finished grade.

3.119 LOT DEPTH means the horizontal distance between the front and rear lot lines. If the front and rear lot lines are not parallel, "lot depth" shall mean the length of a straight line joining the middle of the front lot line with the middle of the rear lot line. When there is no rear lot line, "lot depth" shall mean the length of a straight line joining the middle of the front lot line with the apex of the triangle formed by the side lot lines.

3.120 LOT FRONTAGE means the horizontal distance between parallel side lot lines measured along a straight front lot line. Where the front lot line is not a straight line or where the side lot lines are not parallel, the lot frontage shall be measured perpendicular to a line joining the mid-points of the front and rear lot lines measured back from the front lot line a distance equivalent to the minimum front yard depth as specified in this By-law. In the case where there is no rear lot line, the lot frontage shall be measured by a line perpendicular to the line joining the mid-point of the front lot line to the apex of the triangle formed by the side lot lines. In the case of a standard waterfront lot, the lot frontage shall be the horizontal distance between the two most widely separated points on any one shoreline of a lot unless the standard waterfront lot abuts a public street in which case the lot frontage shall be deemed to be along the public street. In the case of a through waterfront lot the lot frontage shall be measured in the same way as a standard waterfront lot unless the through waterfront lot abuts a public street in which case the lot frontage shall be deemed to be along the public street.

- 3.172 PORTABLE ASPHALT PLANT** means a facility with equipment designed to heat and dry aggregate and to mix aggregate with bituminous asphalt to produce asphalt paving material, and includes stockpiling and storage of bulk materials used in the process and which is not of permanent construction, but is designed to be dismantled and moved to another location as required.
- 3.173 PORTABLE CONCRETE BATCHING PLANT** - See “Concrete Batching Plant”
- 3.174 PORTABLE PROCESSING PLANT** means equipment for the crushing, screening or washing of sand and gravel aggregate materials, but does not include a concrete batching plant or an asphalt plant, which equipment is capable of being readily drawn or readily propelled by a motor vehicle and which equipment is not considered permanently affixed to the site.
- 3.175 PRINCIPAL OR MAIN BUILDING** means the building in which is carried on the principal purpose for which the lot is used.
- 3.176 PRIVATE CLUB** means a building or part of a building used for the purposes of a non-profit, non-commercial organization which includes social, cultural, athletic or recreational activities.
- 3.177 PRIVATE HOME DAYCARE** means the temporary care for compensation of five (5) children or less who are under ten (10) years of age, where such care is provided in a private residence, other than the home of a parent or guardian of any such child, for a continuous period not exceeding twenty-four (24) hours. Private home day care shall not include a Day Nursery as defined in the By-law.
- 3.178 PROVINCIAL HIGHWAY** means a street or road under the jurisdiction of the Province of Ontario.
- 3.179 PUBLIC AUTHORITY** means Federal, Provincial, County or Municipal agencies, and includes any commission, board, authority or department established by such agency.
- 3.180 PUBLIC WORKS YARD** - See “Maintenance Depot”
- 3.181 QUARRY** means land or land under water from which consolidated aggregate is being or has been excavated, and that has not been rehabilitated, but does not mean land or land under water excavated for a building or structure on the excavation site. A quarry does not include a wayside quarry as defined in this By-law.

- 3.182 RECREATIONAL USE, ACTIVE** means a recreational use or activity with buildings or which requires alterations of soil or topography and includes such activities as golf courses, playing fields, trailer parks, campgrounds and conservation areas involving built structures.
- 3.183 RECREATIONAL USE, PASSIVE** means an activity or use of land carried out for recreational purposes which does not require the construction of buildings or the alteration of soil or topography and includes open space and environmental areas.
- 3.184 RECREATIONAL ESTABLISHMENT** means a billiard or pool hall, bowling alley, curling or skating rink or similar use.
- 3.185 RECREATIONAL VEHICLE DEALERSHIP** means a building or structure where a licensed dealer displays new recreational vehicles, including motorcycles, all terrain vehicles and snowmobiles, for sale or rent in conjunction with which there may be a recreational vehicle repair garage and gasoline bar.
- 3.186 RECYCLING FACILITY** means enclosed or unenclosed premises for the collection, composting, sorting, processing, or temporary storage of recyclable materials such as glass, tins, paper, plastic and other non-hazardous recyclable materials but does not include unlicensed motor vehicles, trees, tires, metal, salvage, liquids or hazardous wastes.
- 3.187 RENTAL CABIN OR RENTAL COTTAGE ESTABLISHMENT** means a tourist establishment designed to accommodate one family in a detached building or in one of 2 such buildings which have a common wall, in accordance with all regulations set out in this By-law.
- 3.188 REPAIR** means the provision of such facilities and the making of additions or alterations or the taking of such actions as may be required so that the property shall be in good condition. "Repair" shall be synonymous with the terms "reconstruct" and "renovate".
- 3.189 RESORT** means a tourist establishment that operates throughout all or part of the year and that has facilities for serving meals and furnishing equipment, supplies or services to persons in connection with recreational purposes.
- 3.190 RETAIL COMMERCIAL ESTABLISHMENT** means a building, or part of a building, in which goods, wares, merchandise, substances, articles or services are offered or kept for sale at retail or on a rental basis.
- 3.191 RIDING SCHOOL OR BOARDING STABLE** means an area of land or buildings which is/are used as an education centre for horse training, handling, care or for the lodging of horses. It may include accessory buildings for human habitation.
- 3.192 RIGHT-OF-WAY, PRIVATE** means a private road which affords access to abutting lots and does not include a lane, street, road or highway as herein defined.

- 3.193 SALVAGE YARD** means a place where goods, wares, merchandise, articles or things are processed for further use and where such goods, wares, merchandise, articles or things are stored wholly or partly in the open. This definition may include a junk yard, a scrap metal yard and a motor vehicle wrecking yard or premises. A Salvage Yard shall not include an establishment where the principal or main use of a lot is the storage and/or recycling of use vehicle tires.
- 3.194 SANITARY LANDFILL SITE** - see "Waste Disposal Area"
- 3.195 SANITARY SEWER** means an adequate system of underground conduits, operated either by the Corporation or by the Ministry of the Environment, which carries sewage to an adequate place of treatment which meets with the approval of the Ministry of the Environment.
- 3.196 SATELLITE DISH** means a device designed to receive communication signals from a satellite.
- 3.197 SAW AND/OR PLANING MILL** means a building, structure or area where timber is cut, sawed or planed, either to finished lumber, or as an intermediary step and may include facilities for the kiln drying of lumber and may or may not include the distribution of such products on a wholesale or retail basis.
- 3.198 SCHOOL, PUBLIC** means a school under the jurisdiction of a Board as defined by the Ministry of Education.
- 3.199 SEASONAL CAMP** means an establishment that is owned and operated by a private club or organization for the boarding and lodging of children during the summer months only, and may include such activities as boating, riding and archery.
- 3.200 SENSITIVE LAND USE** means a building, amenity area or outdoor space where routine or normal activities occurring at reasonably expected times would experience one or more adverse effect(s) such as noise, vibration, odours and other air emissions, litter, dust and other particulates, and other contaminants, generated by a nearby industrial facility or land use. The sensitive land use may be a part of the natural or built environment. Depending upon the particular facility or land use involved, a sensitive land use and associated activities may include, but are not limited to, one or a combination of:
- (a) residences, uses or facilities where people sleep, for example, dwellings, nursing homes, hospitals, trailer parks, camp grounds, mobile home parks, etc. These uses are considered to be sensitive 24 hours/day;
 - (b) permanent institutional uses such as schools, churches, municipal offices, libraries, community centres, and day care centres); and
 - (c) community and neighbourhood parks and playgrounds.

- 3.201 SERVICE SHOP** means a building or part of a building for the servicing or repairing of articles, goods or materials other than heavy machinery or equipment, or motor vehicles.
- 3.202 SERVICE SHOP, PERSONAL** means a building or part of a building in which persons are employed in furnishing services and otherwise administering to the individual and personal needs of persons, such as a barber's shop, hairdressing establishment or other similar services.
- 3.203 SETBACK** means the horizontal distance from the property line, measured at right angles to such property line, to the nearest part of any building or structure on the lot; notwithstanding setback requirements to street centreline shall be as discussed in Section 4.31 of this By-law.
- 3.204 SEWAGE TREATMENT FACILITY** means a building or structure approved by the Ministry of Environment, where domestic and/or industrial waste is treated.
- 3.205 SHOPPING CENTRE** means a group of commercial uses, which has been designed, developed and managed as a unit by a single owner or tenant, or a group of owners or tenants, as distinguished from a business area comprising unrelated individual uses.
- 3.206 SIGHT TRIANGLE** means the triangular space formed on a corner lot by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 9 metres (29.53 ft.) measured along the street line from the point of intersection of the street lines. Where the two street lines do not intersect at a point, the point of intersection of the street lines shall be deemed to be the intersection of the projection of the street lines or the intersection of the tangents to the street lines. This definition shall also include the sight triangle formed on a corner lot at the intersection of a rail line and a street.
- 3.207 SIGN** means any identification, description, illustration or device illuminated or non-illuminated including any supporting structure that is visible from any public place or located on private property and exposed to the public which directs attention to a product, service, place, activity, person, institution, business or solicitation. Without limiting the generality of the foregoing, a sign includes any permanently installed or situated merchandise; or any emblem, painting, banner, pennant, placard or temporary sign designed to advertise, identify or convey information, but sign does not include window displays and flags or emblems of patriotic, civic, educational, religious organizations or private clubs.
- 3.208 STOREY** means the portion of a building that is situated between the top of any floor and the top of the next floor above it, or that is situated between the top of the floor and the ceiling above the floor, if there is no floor above it.
- 3.209 STOREY, FIRST** means the lowest storey of a building closest to finished grade having its ceiling 1.8 metres (5.9 ft.) or more above average finished grade.

- 3.210 STOREY, ONE-HALF** means that portion of a building situated wholly or in part within the roof and having its floor level not lower than 1.2 metres (3.94 ft.) below the line where roof and outer wall meet and in which there is sufficient space to provide a distance between finished floor and finished ceiling of at least 2.0 metres (6.56 ft.) over a floor area equal to at least 50 percent of the area of the floor next below.
- 3.211 STORM SEWER** means a sewer which carries storm sewage or surface runoff but excludes any sanitary sewer or any combination of sanitary sewers and storm sewers.
- 3.212 STREET OR ROAD** means a highway as defined by the *Municipal Act*, as amended, and the *Highway Traffic Act*, as amended, which affords the principal means of access to abutting lots and does not include a lane or private right-of-way as defined in this By-law.
- 3.213 STREET OR ROAD, IMPROVED PUBLIC** means a public street, road or highway under the jurisdiction of the Province of Ontario, the County or the Corporation, which is constructed to current design standards of the Province, County or Corporation, and which is maintained so as to allow normal vehicular access to adjacent properties throughout all seasons of the year.
- 3.214 STREET LINE** means the limit of the street or road allowance and is the dividing line between a lot or block and street or road.
- 3.215 STRUCTURE** means anything that is erected, built or constructed or parts joined together, the use of which requires location on the ground, or attached to something having location on the ground but does not include a sign, tourist trailer, or mobile home.
- 3.216 TILLABLE HECTARES** means the total area of land, including pasture that can be worked or cultivated to grow crops.
- 3.217 TOURIST ESTABLISHMENT** means a building, area or facilities designed or used for the accommodation of the travelling or vacationing public, and shall include a lodge, resort, hotel, motel, and a rental cabin or rental cottage establishment, but shall not include a trailer park or camp.
- 3.218 TOURIST TRAILER** means any portable living unit having no permanent foundation and supported by wheels, jacks or similar supports, used or so constructed as to permit its being used as a conveyance upon public streets or highways and duly licensable as such, and designed and constructed to permit occupancy for temporary living, eating and sleeping accommodation of persons therein, and shall be deemed to include a tent and shall not be occupied continuously or as a principle residence. This definition does not include appurtenances to a trailer or park model trailer or land-based vehicles originally designed, used or intended for water use.

- 3.219 TOURIST VEHICLE** means any self-propelled vehicle including a bus, motor home, truck or van, which is equipped for the temporary living, sleeping or eating accommodation of persons. For the purposes of this By-law, "Tourist Vehicle" shall include a Tourist Trailer.
- 3.220 TOWNSHIP STREET OR ROAD** means a street or road under the jurisdiction of the Corporation of the Township of Cramahe.
- 3.221 TRAILER** means a vehicle that is at any time drawn upon a highway by a motor vehicle, except an implement of husbandry, another motor vehicle or any device or apparatus not designed to transport persons or property, temporarily drawn, propelled or moved upon such highway, and except a side car attached to a motorcycle, and shall be considered a separate vehicle and not part of the motor vehicle by which it is drawn, and, for the purposes of this By-law does not include a mobile home dwelling as defined herein.
- 3.221.1 SEMI-TRAILER** means a trailer designed to be operated with the forward part of its body resting upon the body or chassis of a towing vehicle.
- 3.221.2 TRAILER CONVETER DOLLY** means a device consisting of one or more axles, a fifth wheel lower-half and a tow bar.
- 3.222 TRAILER PARK OR CAMP** means a tourist establishment consisting of at least five (5) camping sites and comprising land used or maintained as grounds for the camping or temporary parking of tourist trailers, motor homes, park model trailers, truck campers, campers or tents, but does not include parks or camping grounds maintained by any department of the Government of Ontario or of Canada; or any crown corporation, commission or board.
- 3.223 USE** means, when used as a noun, the purpose for which a lot or building or structure, or any combination thereof, is design, arranged, occupied or maintained and when used as a verb, "USED" shall have a corresponding meaning.
- 3.224 VEHICLE** means an automobile, all terrain vehicle, snowmobile, motorcycle, motor assisted bicycle, traction engine, farm tractor, road-building machine, self-propelled implement of husbandry, and any other vehicle propelled or driven other than by muscular power, but not including a railroad car or other motor vehicle running only upon rails.
- 3.225 VETERINARIAN** means a person registered under the provisions of the *Veterinarians Act*, as amended.
- 3.226 VETERINARY CLINIC** means a building or part of a building in which facilities are provided for the prevention, cure and alleviation of disease and injury to animals, and in conjunction with which there may be temporary sheltering of animals during the treatment period. A Veterinary Clinic shall not include a Commercial Kennel.

- 3.227 WAREHOUSE** means a building or part of a building used for the storage and distribution of goods, wares, merchandise, substances, articles or things, and may include facilities for a wholesale or retail commercial outlet, but shall not include a cartage or transport depot.
- 3.228 WASTE DISPOSAL AREA** means a place where garbage, refuse or domestic or industrial waste, exclusive of liquid industrial waste, is disposed of or dumped, and, for the purposes of this by-law, may include a sanitary landfill site.
- 3.229 WASTE TRANSFER STATION** means premises for the temporary storage of garbage and waste materials awaiting transfer to a permanent solid waste disposal area and may include a recycling depot.
- 3.230 WATERCOURSE** means a body of water or the natural channel for a perennial or intermittent stream of water.
- 3.231 WATER FRONTAGE** means a piece of land fronting on and providing access to a watercourse, bay or lake.
- 3.232 WATER SUPPLY SYSTEM, PUBLIC** means an adequate distribution system of underground piping and related storage, including pumping and purification appurtenances operated by a municipal corporation and/or the Ministry of the Environment and/or any public utilities commission for public use.
- 3.233 WATER SUPPLY PLANT** means a building or structure, approved by the Ministry of the Environment where water is treated for human consumption.
- 3.234 WELL** means an underground source of water which has been rendered accessible by the drilling or digging of a hole from ground level to the water table and may include a private piped system from a surface water source.
- 3.235 WORKSHOP** means a building or part of a building where fabrication or manufacturing is performed by tradesmen requiring manual or mechanical skills and may include a carpenter's shop, a locksmith's shop, a gunsmith's shop, a tinsmith's shop, a commercial welders shop, or similar uses.
- 3.236 YARD** means a space, appurtenant to a building or structure, located on the same lot as the building or structure, which space is open, uncovered and unoccupied from the ground to the sky except for such accessory buildings, structures or uses as are specifically permitted elsewhere in the By-law.
- 3.237 YARD, FRONT**, means a yard extending across the full width of the lot between the front lot line of the lot and the nearest part of any building or structure on the lot, the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.
- 3.238 YARD, FRONT DEPTH**, means the least horizontal dimension between the front lot line of the lot and the nearest part of any building or structure on the lot, or the

nearest outside storage use on the lot, or the edge or rim of an excavation on the lot.

3.239 YARD, REAR, means a yard extending across the full width of the lot between the rear lot line of the lot and the nearest part of any building or structure on the lot, or the nearest outside storage use on the lot, or the edge or rim of an excavation on the lot.

3.240 YARD, REAR DEPTH, means the least horizontal dimension between the rear lot line of the lot and the nearest part of any building or structure on the lot, or the nearest outside storage use on the lot, or the edge or rim of an excavation on the lot.

3.241 YARD, REQUIRED, means the minimum yard required by the provision of this By-law.

3.242 YARD, SIDE, means a yard extending from the required front yard to the required rear yard and from the side lot line of the lot to the nearest part of any building or structure on the lot, or the nearest outside storage use on the lot, or the edge or rim of an excavation on the lot.

3.243 YARD, SIDE EXTERIOR, means a side yard immediately adjoining a public street.

3.244 YARD, SIDE INTERIOR, means a side yard other than an exterior side yard.

3.245 YARD, SIDE WIDTH, means the least horizontal dimensions between the side lot line of the lot and the nearest part of any building or structure on the lot, or the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.

3.246 YARD, WATER, means the yard extending from the high water mark on any body of water to the nearest wall of any building or structure on the lot.

3.247 ZONE means a designated area of land shown on Schedule "A" hereto and includes any special zone used in this By-law.

3.248 ZONE PROVISIONS means the permissible uses or activities, the minimum area and dimensions of lots, the minimum dimensions of yards, the maximum lot coverage, the minimum setback, the minimum gross floor area, the minimum landscaped open space, the maximum height of buildings, minimum parking area requirements, and all other standards and regulations of the respective Zones as are set out within the By-law.

PART 3B – OAK RIDGES MORAINÉ CONSERVATION PLAN AREA

3B - DEFINITIONS

- 3B.1 **Accessory Use** means a use of land, buildings or structures that is normally incidental or subordinate to the principal use, building or structure located on the same lot.
- 3B.2 **Adverse Effect** means any impairment, disruption, destruction or harmful alteration.
- 3B.3 **Adversely Affect** means to have an adverse effect on.
- 3B.4 **Agricultural Uses** means:
- (a) growing crops, including nursery and horticultural crops;
 - (b) raising livestock and other animals, including poultry and fish, for food and fur;
 - (c) aquaculture; and
 - (d) agro-forestry and maple syrup production.
- 3B.5 **Agriculture-Related Uses** means commercial and industrial uses that are:
- (a) small-scale;
 - (b) directly related to a farm operation; and
 - (c) required in close proximity to the farm operation.
- 3B.6 **Animal Agriculture** means growing, producing and raising farm animals including, without limitation:
- (a) livestock, including equines, poultry and ratites;
 - (b) fur-bearing animals;
 - (c) bees;
 - (d) cultured fish;
 - (e) deer and elk; and
 - (f) game animals and birds.
- 3B.7 **Aquifer Vulnerability** means an aquifer's intrinsic susceptibility, as a function of the thickness and permeability of overlying layers, to contamination from both human and natural impact on water quality.
- 3B.8 **Area of Natural and Scientific Interest (Earth Science)** means an area that has been:
- (a) identified as having earth science values related to protection, scientific study or education; and
 - (b) further identified by the Ministry of Natural Resources using evaluation procedures established by that Ministry, as amended from time to time.

- 3B.9 **Area of Natural and Scientific Interest (Life Science)** means an area that has been:
- (a) identified as having life science values related to protection, scientific study or education; and
 - (b) further identified by the Ministry of Natural Resources using evaluation procedures established by that Ministry, as amended from time to time.
- 3B.10 **Bed and Breakfast Establishment** means an establishment that provides sleeping accommodation (including breakfast and other meals, services, facilities and amenities for the exclusive use of guests) for the traveling or vacationing public in up to three guest rooms within a single dwelling that is the principal residence of the proprietor of the establishment.
- 3B.11 **Connectivity** means the degree to which key natural heritage features are connected to one another by links such as plant and animal movement corridors, hydrological and nutrient cycling, genetic transfer, and energy flows through food webs.
- 3B.12 **Development** means the creation of a new lot, a change in land use, or the construction of buildings and structures, any of which require approval under the Planning Act, the *Environmental Assessment Act*, or the *Drainage Act*, but does not include:
- (a) the construction of facilities for transportation, infrastructure and utilities uses, as described in Section 41 of the Oak Ridges Moraine Conservation Plan by a public body; or
 - (b) for greater certainty:
 - (i) the reconstruction, repair or maintenance of a drain approved under the *Drainage Act* and in existence on November 15, 2001; or
 - (ii) the carrying out of agricultural practices on land that was being used for agricultural uses on November 15, 2001.
- 3B.13 **Dwelling Unit** means one or more habitable rooms, occupied or capable of being occupied as an independent and separate housekeeping establishment, in which separate kitchen and sanitary facilities are provided for the exclusive use of the occupants.
- 3B.14 **Earth Science Values** means values that relate to the geological, soil and landform features of the environment.
- 3B.15 **Ecological Features** means naturally occurring land, water and biotic features that contribute to ecological integrity.
- 3B.16 **Ecological Functions** means the natural processes, products or services that living and non-living environments provide or perform within or between species,

ecosystems and landscapes, including hydrological functions and biological, physical, chemical and socio-economic interactions.

3B.17 **Ecological Integrity**, which includes hydrological integrity, means the condition of ecosystems in which:

- (a) the structure, composition and function of the ecosystems are unimpaired by stresses from human activity;
- (b) natural ecological processes are intact and self-sustaining; and
- (c) the ecosystems evolve naturally.

3B.18 **Endangered Species** means any native species, as listed in the regulations under the *Endangered Species Act*, that is at risk of extinction throughout all or part of its Ontario range if the limiting factors are not reversed.

3B.19 **Farm Vacation Home** means an establishment that provides sleeping accommodation (including participation in farm activities, meals, services, facilities and amenities for the exclusive use of guests) for the traveling or vacationing public in up to three guest rooms within a single dwelling that is located on a farm and is the principal residence of the proprietor of the establishment.

3B.20 **Fish Habitat** means the spawning grounds and nursery, rearing, food supply and migration areas on which fish depend directly or indirectly in order to carry out the life processes, as further identified by the Department of Fisheries and Oceans (Canada).

3B.21 **Forest Access Road** means a one or two-lane unpaved road that is designed to provide access to and within a woodland for wildlife, fish and forest management purposes.

3B.22 **Forest Management** means the management of woodlands, including accessory uses such as the construction and maintenance of forest access roads and maple syrup production facilities:

- (a) for the production of wood and wood products, including maple syrup;
- (b) to provide outdoor recreation opportunities;
- (c) to maintain, and where possible, improve or restore conditions for wildlife; and
- (d) to protect water supplies.

3B.23 **Groundwater Recharge** means the replenishment of subsurface water:

- (a) resulting from natural processes, such as the infiltration of rainfall and snowmelt and the seepage of surface water from lakes, streams and wetlands; and
- (b) resulting from human intervention, such as the use of stormwater management systems.

3B.24 Habitat of Endangered, Rare and Threatened Species means land that:

- (a) is an area where individuals of an endangered species, a rare species or a threatened species live or have the potential to live and find adequate amounts of food, water, shelter, and space needed to sustain their population, including an area where a species concentrates at a vulnerable point in its annual or life cycle and an area that is important to a migratory or non-migratory species; and
- (b) has been further identified, by the Ministry of Natural Resources or by any other person, according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time.

3B.25 Hazardous Waste has the same meaning as in Regulation 347 of the Revised Regulations of Ontario, 1990.

3B.26 Home Business means an occupation that:

- (a) involves providing personal or professional services or producing custom or artisanal products;
- (b) is carried on as a small-scale accessory use within a single dwelling by one or more of its residents; and
- (c) does not include uses such as an auto repair or paint shop or furniture stripping.

3B.27 Home Industry means a business that:

- (a) is carried on as a small-scale use that is accessory to a single dwelling or agricultural operation;
- (b) provides a service such as carpentry, metalworking, welding, electrical work or blacksmithing, primarily to the farming community;
- (c) may be carried on in whole or in part in an accessory building; and
- (d) does not include uses such as an auto repair or paint shop or furniture stripping.

3B.28 Hydrological Cycle means the circulation of water from the atmosphere to the earth and back through precipitation, runoff, infiltration, groundwater flow and evapotranspiration, including the occurrence, circulation, distribution, and chemical and physical properties of water on the surface of the land, in the soil and underlying rocks, and in the atmosphere, and water's interaction with the environment including its relation to living things.

3B.29 Hydrological Features means:

- (a) permanent and intermittent streams;
- (b) wetlands;
- (c) kettle lakes and their surface catchment areas;
- (d) seepage areas and springs; and
- (e) aquifers and recharge areas.

- 3B.30 **Hydrological Functions** means the functions of the hydrological cycle that include the occurrence, circulation, distribution and chemical and physical properties of water on the surface of the land, in the soil and underlying rocks, and in the atmosphere, and water's interaction with the environment including its relation to living things.
- 3B.31 **Hydrological Integrity** means the condition of ecosystems in which hydrological features and hydrological functions are unimpaired by stresses from human activity.
- 3B.32 **Hydrologically Sensitive Feature** means a hydrologically sensitive feature as described in Section 26 of the Oak Ridges Moraine Conservation Plan.
- 3B.33 **Impervious Surface** means a surface that does not permit the infiltration of water, such as a rooftop, sidewalk, paved roadway, driveway or parking lot.
- 3B.34 **Kame** means a mound, hummock or conical hill of glacial origin.
- 3B.35 **Kettle Lake** means a depression formed by glacial action and permanently filled with water;
- 3B.36 **Key Natural Heritage Feature** means a key natural heritage feature as described in Section 22 of the Oak Ridges Moraine Conservation Plan.
- 3B.37 **Landform Features** means distinctive physical attributes of land such as slope, shape, elevation and relief.
- 3B.38 **Landform Conservation Area** means a landform conservation area as described in Section 30 of the Oak Ridges Moraine Conservation Plan.
- 3B.39 **Life Science Values** means values that relate to the living component of the environment.
- 3B.40 **Liquid Industrial Waste** has the same meaning as in Regulation 347 of the Revised Regulations of Ontario, 1990.
- 3B.41 **Lot** means a parcel of land that is:
- (a) described in a deed or other document legally capable of conveying an interest in the land; or
 - (b) shown as a lot or block on a registered plan of subdivision.
- 3B.42 **Low Intensity Recreational Uses** means recreational uses that have minimal impact on the natural environment, and require very little terrain or vegetation modification and few, if any, buildings or structures, including but not limited to the following:

- (a) non-motorized trail uses;
- (b) natural heritage appreciation;
- (c) unserviced camping on public and institutional land; and
- (d) accessory uses.

3B.43 **Major Development** means development consisting of:

- (a) the creation of four or more lots;
- (b) the construction of a building or buildings with a ground floor area of 500 m² or more; or
- (c) the establishment of a major recreational use as described in Section 38 of the Oak Ridges Moraine Conservation Plan.

3B.44 **Major Recreational Uses** are recreational uses that require large-scale modification of terrain, vegetation or both and usually also require large-scale buildings or structures, including but not limited to the following:

- (a) golf courses;
- (b) serviced playing fields;
- (c) serviced campgrounds;
- (d) ski hills.

3B.45 **Meander Belt** means the land across which a stream shifts its channel from time to time.

3B.46 **Mineral Aggregate** means gravel, sand, clay, earth, shale, stone, limestone, dolostone, sandstone, marble, granite, rock or other material prescribed under the *Aggregate Resources Act*, but does not include metallic ores, asbestos, graphite, kyanite, mica, nepheline syenite, talc, wollastonite, or other material prescribed under that Act.

3B.47 **Mineral Aggregate Operation** means:

- (a) an operation, other than a wayside pit, conducted under a licence or permit under the *Aggregate Resources Act*; and
- (b) associated facilities used in the extraction, transportation, beneficiation, processing or recycling of mineral aggregate or the production of related by-products.

3B.48 **Natural Self-Sustaining Vegetation** means self-sustaining vegetation dominated by native plant species.

3B.49 **Net Developable Area** means the area of a lot or site, less any area that is within a key natural heritage feature or a hydrologically sensitive feature.

3B.50 **Oak Ridges Moraine Conservation Plan Area and “Plan Area”** mean the areas described in Section 1.12(d) of this By-law and as defined in the Oak Ridges Moraine Conservation Plan Regulation 140/02.

3B.51 **Partial Service** means connections linking a building to:

- (a) a communal sewage or water service or a full municipal sewage or water service; and
- (b) an individual on-site sewage or water system.

3B.52 **Portable Asphalt Plant** means a temporary facility, to be dismantled at the completion of a construction project, where:

- (a) equipment is used to heat and dry mineral aggregate and to mix it with bituminous asphalt to produce asphalt paving material; and
- (b) bulk materials used in the process described in Clause (a) are kept.

3B.53 **Prime Agricultural Area** means an area that is:

- (a) designated as prime agricultural land in the relevant official plan; or
- (b) identified through an alternative agricultural land evaluation system approved by the Government of Ontario.

3B.54 **Prime Agricultural Land** means:

- (a) land where fruit and vegetable crops and greenhouse crops are grown;
- (b) agriculturally developed organic soil land; or
- (c) land with Class 1, 2 or 3 soils according to the Canada Land Inventory.

3B.55 **Rapid Infiltration Basin** means a basin or system of basins at or below surface grade that is constructed in porous soil and punctures through a relatively impermeable layer to gain access to a more permeable sand or gravel layer, so as to rapidly infiltrate into the ground, at a single point or area of concentration, surface runoff collected from impervious surfaces.

3B.56 **Rapid Infiltration Column** means a column or system of columns at or below surface grade that is constructed in porous soil and punctures through a relatively impermeable layer to gain access to a more permeable sand or gravel layer, so as to rapidly infiltrate into the ground, at a single point or area of concentration, surface runoff collected from impervious surfaces.

3B.57 **Rare Species** means a native species that is not currently at risk of becoming threatened but, because of its limited distribution, small population or specialized habitat needs, could be put at risk of becoming threatened through all or part of its Ontario range by changes in land use or increases in certain types of human activity.

3B.58 **Retirement Home** means a building in which:

- (a) accommodation is provided, mainly for retired persons;
- (b) common kitchen and dining facilities are provided for the residents; and

- (c) common lounges, recreation rooms and health care facilities may also be provided for the residents.

3B.59 **Sand Barrens** means land (not including land that is being used for agricultural purposes and no longer exhibits sand barrens characteristics) that:

- (a) has sparse or patchy vegetation that is dominated by plants that are:
 - (i) adapted to severe drought and low nutrient levels; and
 - (ii) maintained by severe environmental limitations such as drought, low nutrient levels and periodic disturbances such as fire.
- (b) has less than 25 percent tree cover;
- (c) has sandy soils (other than shorelines) exposed by natural erosion; depositional process or both; and
- (d) has been further identified, by the Ministry of Natural Resources or by any other person, according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time.

3B.60 **Saturated Zone** means the zone below the water table where the spaces between soil grains are filled with water.

3B.61 **Savannah** means land (not including land that is being used for agricultural purposes and no longer exhibits savannah characteristics) that:

- (a) has vegetation with a significant component of non-woody plants, including tallgrass prairie species that are maintained by seasonal drought, periodic disturbances such as fire, or both;
- (b) has from 25 percent to 60 percent tree cover;
- (c) has mineral soils; and
- (d) has been further identified, by the Ministry of Natural Resources or by any other person, according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time.

3B.62 **Self-Sustaining Vegetation** means vegetation dominated by plants that can grow and persist without direct human management, protection, or tending.

3B.63 **Significant** means identified as significant by the Ministry of Natural Resources, using evaluation procedures established by that Ministry, as amended from time to time.

3B.64 **Single Dwelling** means a building containing only one dwelling unit;

3B.65 **Site** means the land subject to an application.

3B.66 **Site Alteration** means activities such as filling, grading and excavation that would change the landform and natural vegetative characteristics of land, but does not include:

- (a) the construction of facilities for transportation, infrastructure and utilities uses, as described in Section 41 of the Oak Ridges Moraine Conservation Plan, by a public body, or
- (b) for greater certainty:
 - (i) the reconstruction, repair or maintenance of a drain approved under the *Drainage Act* and in existence on November 15, 2001; or
 - (ii) the carrying out of agricultural practices on land that was being used for agricultural uses on November 15, 2001.

3B.67 Small-Scale Commercial, Industrial and Institutional Uses:

- (a) are supportive of, complimentary to or essential to uses that are permitted in Countryside area of the Oak Ridges Moraine Conservation Plan;
- (b) do not require large-scale modification of terrain, vegetation or both or large-scale buildings and structures; and
- (c) include, but are not limited to:
 - (i) farm implement stores, feed stores and country markets;
 - (ii) portable mineral aggregate crushing plants, portable asphalt plants and composting plants; and
 - (iii) schools, places of worship, community halls, retirement homes and cemeteries, intended mainly to serve nearby Rural Settlements within the Plan Area.

3B.68 Subwatershed means an area that is drained by a tributary or some defined portion of a stream.

3B.69 Surface Catchment Area means the area including and surrounding a kettle lake or wetland, from which surface runoff drains directly into the kettle lake or wetland.

3B.70 Sustainable, when used with respect to a natural resource, means that the natural resource is able to support a particular use or activity without being adversely affected.

3B.71 Tallgrass Prairie means land (not including land that is being used for agricultural purposes and no longer exhibits tallgrass prairie characteristics) that:

- (a) has vegetation dominated by non-woody plants, including tallgrass prairie species that are maintained by seasonal drought, periodic disturbances such as fire, or both;
- (b) has less than 25 percent tree cover;
- (c) has mineral soils; and
- (d) has been further identified, by the Ministry of Natural Resources or by any other person, according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time.

- 3B.72 **Threatened Species** means any native species that is at risk of becoming endangered throughout all or part of its Ontario range if the limiting factors are not reversed.
- 3B.73 **Time of Travel** means the time that is needed for groundwater to travel a specified horizontal distance in the saturated zone.
- 3B.74 **Unserviced Park** means a park that provides recreational opportunities and facilities, including playing fields, but without outdoor lighting, accessory commercial facilities, paved parking lots or permanent water or sewer facilities;
- 3B.75 **Valleyland** means a natural area that occurs in a valley or other landform depression that has water flowing through or standing for some period of the year.
- 3B.76 **Watershed** means an area that is drained by a river and its tributaries.
- 3B.77 **Wayside Pit** means a temporary pit opened or used by or for a public body solely for the purpose of a particular project of road construction and not located on the road right-of-way.
- 3B.78 **Wellhead Protection Area** means the surface and subsurface area surrounding a water well or well field that supplies a public water system and through which contaminants are reasonably likely to move so as eventually to reach the water well or well field.
- 3B.79 **Wetland** means land such as a swamp, marsh, bog or fen (not including land that is being used for agricultural purposes and no longer exhibits wetland characteristics) that:
- (a) is seasonally or permanently covered by shallow water or has the water table close to or at the surface;
 - (b) has hydric soils and vegetation dominated by hydrophytic or water-tolerant plants; and
 - (c) has been further identified, by the Ministry of Natural Resources or by any other person, according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time.
- 3B.80 **Wildlife Habitat** means land that:
- (a) is an area where plants, animals and other organisms live or have the potential to live and find adequate amounts of food, water, shelter and space to sustain their population, including an area where a species concentrates at a vulnerable point in its annual or life cycle and an area that is important to a migratory or non-migratory species; and
 - (b) has been further identified, by the Ministry of Natural Resources or by any other person, according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time.

3B.81 **Woodland** means a treed area, woodlot or forested area, other than a cultivated fruit or nut orchard or a plantation established for the purpose of producing Christmas trees.

3B.82 **Zone of Contribution**, when used in reference to a period of time, means the area within which the water pumped from a well originates during that time.

4.1 ABANDONED EQUIPMENT AND MOTOR VEHICLES WITHOUT A CURRENT VALIDATION STICKER

Notwithstanding the provisions of Section 4.24.7 to the contrary, no person may use any lot in any zone for the parking, storage, or locating of unused or discarded equipment or motor vehicles without a current validation sticker except that:

- 4.1.1 One such vehicle may be stored inside a private garage.
- 4.1.2 Commercial vehicles normally licensed for only part of the year may be stored on the same lot from which the business they are used in conjunction with is operated, provided that in any Residential Zone such commercial vehicle shall not exceed 1.0 tonne capacity.
- 4.1.3 Any number of such vehicles may be stored in a completely screened space that is not visible from any road or adjacent dwelling, in a General Industrial (MG) Zone.

4.2 ACCESSORY BUILDINGS, STRUCTURES AND USES

4.2.1 Permitted Uses

Where this By-law provides that a lot may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or structure or accessory use, but shall not include the following:

- a) any occupation for gain or profit conducted within or accessory to a dwelling unit or on such lot associated therewith, except as is specifically permitted in accordance with this By-law; or
- b) any building used for human habitation except in accordance with this By-law, as is specifically permitted.

4.2.2 Relation to Street

4.2.2.1 Residential Zones

An accessory building or structure, which is not part of the principal or main building on the lot, shall not be erected closer to the street line than the principal or main building on the lot, and shall further be erected in conformity with the yard and setback requirements of the respective Residential Zone, except as may otherwise be provided for herein.

4.2.2.2 Non-Residential Zones

No accessory building or structure shall be erected closer to the street line than the minimum required yard and setback requirements of the respective non-residential zone and, further, shall not be erected closer than 3.0 metres (9.84 ft.) to an interior side or rear lot line except as may otherwise be provided for herein. Notwithstanding the foregoing, a gatehouse or information kiosk or other similar accessory structure shall be permitted within a required front or side yard or within the area between the street line and the required setback.

4.2.3 Relation to Principal or Main Building

Except as may otherwise be provided herein, any accessory building or structure, which is not part of the principal or main building, shall not be erected closer than 3.0 metres (9.84 ft.) to the principal or main building.

4.2.4 Lot Coverage and Height

Except as otherwise provided herein, the total lot coverage of all accessory buildings and structures of a lot shall not exceed five percent (5%) of the lot area and shall be considered in addition to any other lot coverage regulations as specified in this By-law.

Notwithstanding the foregoing, within the General Industrial (MG) Zone, the total lot coverage of all accessory buildings or structures shall not exceed ten percent (10%) of the lot area.

Except as otherwise provided herein, the height of any accessory building or structure shall not exceed 7.5 metres (24.60 ft.) in the Rural (RU) Zone or Agricultural (A) Zone and 5.0 metres (16.40 ft.) in any other zone.

4.2.5 Accessory Structure Encroachments

Notwithstanding the yard and setback provisions of this By-law to the contrary, drop awnings, clothes poles, flag poles, garden trellises, retaining walls, fences, signs or similar uses which comply with the licensing and/or regulatory By-laws of the Corporation, shall be permitted in any required yard or in the area between the street line and the required setback.

4.2.6 Fire Escapes

Notwithstanding the yard and setback provisions of this By-law to the contrary, unenclosed fire escapes may project into any required yard a maximum distance of 1.2 metres (3.94 ft.).

4.2.7 Location

Except as otherwise provided herein, in any Residential zone category any accessory building or structure which is not part of the main building shall be erected:

- (a) to the rear of any required front yard;
- (b) with a minimum rear yard of 1.2 metres (3.94 ft.);
- (c) with a minimum side yard of 1.2 metres (3.94 ft.); and
- (d) with a minimum separation distance of 1.5 metres (4.92 ft.), from any building, structure, or part thereof, and not to be intruded upon by any awning, canopy, roof, wall or similar structure.

4.2.8 Boat House, Pump House or Dock

Notwithstanding any other provision of this By-law to the contrary, a boat house, pump house or a dock may be erected and used in the front yard of a lot fronting on a navigable waterway, provided, such accessory buildings or structures are located no closer than 1.2 metres (3.94 ft.) to the side lot line.

4.2.9 Railway Spur in Industrial Zone

Notwithstanding the yard and setback provisions of this By-law to the contrary, in an Industrial zone, a railway spur shall be permitted within any required side or rear yard, but not within a required planting strip area except for ingress and egress.

4.2.10 Ornamental Structures

Notwithstanding the yard and setback provisions of this By-law to the contrary, sills, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental structures may project into any required yard or the area between the street line and the required setback a maximum distance of 0.6 metres (1.97 ft.).

4.2.11 Swimming Pools

Notwithstanding the yard provisions of this By-law to the contrary, an outdoor swimming pool shall only be permitted in an interior side yard or a rear yard of a lot. Such outdoor swimming pool shall not be located within 1.2 metres (3.94 ft.) of the rear or interior side lot lines, and shall not be closer than 3.0 metres (9.84 ft.) to that portion of a rear lot line that adjoins a side lot line of an adjoining lot.

Notwithstanding the above, an outdoor swimming pool shall be permitted in an exterior side yard of a corner lot provided that such outdoor pool shall not be located closer than 3.0 metres (9.84 feet) from an exterior side lot line.

Where an outdoor swimming pool is located in an exterior side yard or a rear yard of a corner lot, the pool shall be within a pool enclosure. For the purposes of this regulation, a “pool enclosure” shall mean a fence, wall or other structure, including doors or gates, surrounding an outdoor swimming pool designed to restrict access thereto and to visually screen the pool from the street.

No water circulating or water treatment equipment such as pumps, filters or heaters shall be located closer than 3.0 metres (9.84 feet) to any side lot line or rear lot line.

4.2.12 Unenclosed Porches, Steps, Patios, Decks and Balconies

Notwithstanding the yard and setback provisions of this By-law to the contrary, unenclosed porches, steps, patios, decks and balconies, covered or uncovered, may project into any required yard a maximum distance of 1.5 metres (4.92 ft.) but not closer than 1.2 metres (3.94 ft.) to any lot line, provided that in the case of porches, steps or patios such uses are not more than 1.8 metres (5.9 ft.) above grade (measured at the floor surface elevation).

Balconies and decks that are greater than 1.8 metres (5.9 ft.) above grade (measured at the floor surface elevation) shall comply with the applicable minimum required yard of this By-law.

4.2.13 Signs

The provisions of this by-law shall not apply to prevent the erection, alteration or use of any sign provided such sign complies with any By-laws of the Corporation regulating signs.

4.2.14 Temporary Buildings and Structures for Construction Uses

A tool shed, construction trailer, scaffold or other building or structure incidental to construction is permitted in all Zones within the Corporation on the lot where construction is being undertaken and only for so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this By-law, “abandoned” shall mean the failure to proceed expeditiously with the construction work.

4.2.15 Outside Storage as an Accessory Use

The outside display and storage of goods and materials is permitted only

where such a use is accessory to a permitted use, unless specifically stated otherwise in this By-law.

4.2.16 Height Exceptions for Accessory Building and Structures

Notwithstanding the height provisions herein contained, nothing in this By-law shall apply to prevent the erection, alteration, or use of the following accessory buildings or structures provided the principal use is a use permitted within the Zone in which it is located, namely: a church spire, a belfry, a flag pole, a clock tower, a chimney, a water tank, a windmill, a communications tower or antenna less than 30 metres (98.43 ft.) in height above average ground level, air conditioner duct, grain elevator, a barn or silo, incidental equipment required for processing, and, external equipment associated with internal building equipment.

4.2.17 Satellite Signal Broadcast or Receiving Dishes

Notwithstanding any other provisions for accessory uses or structures set forth in this By-law, satellite signal broadcast or receiving dishes and their supporting towers shall be permitted in all zones.

A free-standing satellite dish with supporting tower shall only be permitted in a rear or side yard, and shall comply with the requirements of Section 4.2.7 of this By-law. Notwithstanding this provision, a satellite dish may be mounted on a building.

These requirements shall not apply to satellite signal broadcast or receiving dishes associated with communication towers, as set forth in Section 4.26 "Public Uses".

4.2.18 Bunkhouses

A Bunkhouse as defined in this By-law shall only be permitted in the Rural (RU) Zone and the Agricultural (A) Zone, and shall only be permitted on a lot by an amendment to this By-law.

4.3 ACCESSORY RESIDENTIAL USES

4.3.1 A maximum of either one (1) accessory dwelling or one (1) accessory dwelling unit shall be permitted on a lot in Zones where an accessory residential use is permitted.

4.3.2 An accessory dwelling shall not be erected, altered or used for residential purposes within 3.0 metres (9.84 ft.) of a permitted non-residential use, and in no case shall a dwelling be erected, altered or used within 7.5 metres (24.60 ft.) of a motor vehicle service station, a motor vehicle repair garage or a motor vehicle dealership.

4.3.3 An accessory dwelling unit shall be permitted in a non-residential building other than in a motor vehicle facility or any other non-residential building where the sale, handling or storage of gasoline or other fuels or similar flammable substances is undertaken.

4.3.4 Where an accessory dwelling unit is a permitted use in any Zone, the following minimum floor areas shall be provided:

(a) Bachelor Dwelling Unit	37 m ² (398.28 ft. ²)
(b) 1 Bedroom Dwelling Unit	55 m ² (592.03 ft. ²)
(c) 2 Bedroom Dwelling Unit	65 m ² (699.68 ft. ²)
(d) 3 Bedroom Dwelling Unit	83 m ² (893.43 ft. ²)
(e) 3+ Bedroom Dwelling Unit	83 m ² (893.43 ft. ²)

plus an additional 9 m² (96.88 ft.²) for each bedroom in excess of 3

4.4 BED AND BREAKFAST ESTABLISHMENTS

4.4.1 A Bed and Breakfast establishment shall be permitted in a single detached dwelling house only and shall have a maximum of 3 guest rooms per establishment.

4.4.2 Bed and Breakfast establishments shall be deemed a residential use and shall be permitted only in zones where specifically provided for as a permitted use.

4.4.3 Bed and Breakfast establishments shall conform to all regulations and requirements of the zone where permitted.

4.4.4 Parking shall be in accordance with Section 4.24 of this By-law.

4.5 BUILDING SPACING

Building spacing shall be in accordance with the applicable provisions of the Ontario Building Code.

4.6 BUFFER STRIP REGULATIONS

4.6.1 Contents

A “buffer strip” as defined in this By-law shall consist of a visual screen having a minimum height of 1.8 metres (5.91 ft.) above the surrounding ground level and which is uninterrupted for the length of the buffer strip, except as described in 4.6.3. A buffer strip shall include a planting screen as defined in this By-law, a fence which provides a visual screen, an earth

berm, or any combination of these features. The minimum width of a buffer strip shall be 3 metres (9.84 ft.). However, where an earth berm is to be constructed, the minimum width of the buffer strip shall be the width required to construct a stable earth berm having slopes no greater than a 3:1 horizontal to vertical ratio. The portion of the buffer strip not required for placement of the visual screen shall be used for no other purpose than the planting of shrubs, flower beds, grass or a combination thereof.

4.6.2 Location

Where the interior side or rear lot line in an Industrial Zone abuts a Residential Zone or a Community and Open Space Zone category, a buffer strip adjoining such abutting lot line, or portion thereof, shall be provided on the lot within the Industrial Zone where a new industrial building, structure or use is to be established. A buffer strip shall not be required for Industrial buildings, structures or uses in existence prior to the date of passing of this By-law or for vacant land within an Industrial Zone, unless the land is used for vehicle parking or storage purposes.

4.6.3 Interruption for Driveways or Pedestrian Walks

In all cases where ingress and egress driveways or walks extend through a buffer strip, it shall be permissible to interrupt the strip within 3 metres (9.84 ft.) of the edge of such driveway or within 1.5 metres (4.92 ft.) of the edge of such walk.

4.6.4 Maintenance

Where a buffer strip is required it shall be constructed and maintained by the owner or owners of the lot on which the strip is located.

4.6.5 Landscaped Open Space Supplement

A buffer strip may form part of any landscaped open space required by this By-law.

4.7 DWELLING UNIT UNDER CONSTRUCTION

Notwithstanding any other provisions of this By-law to the contrary, where a building permit has been issued for a residential dwelling, a mobile home or tourist trailer may be used for temporary human habitation.

Under no circumstances shall a mobile home or tourist trailer be occupied for temporary habitation for more than six (6) months from the date of issuance of the building permit, or until such time as the construction is completed and the building is occupied or the building permit has either expired or been revoked, whichever is the lesser period of time.

Such mobile home or trailer shall be situated in conformity with the minimum yard requirements of this By-law, and a permit shall be obtained from the Health Unit for an approved temporary sanitary waste disposal system.

4.8 ESTABLISHED BUILDING LINE

Notwithstanding the yard and setback provisions of the By-law to the contrary, where a permitted building or structure is to be erected on a lot in a built-up area, where there is an established building line extending on both sides of the lot, such permitted building or structure may be erected closer to the street line or the centreline of the street or navigable waterway, as the case may be, than required by this By-law provided such permitted building or structure is not erected closer to the street line or the centreline of the street or navigable waterway, as the case may be, than the established building line existing on the date of passing of the By-law.

Notwithstanding the above, Section 4.8 shall not apply to setbacks from Lake Ontario, as set out in Section 4.27.2.

4.9 EXISTING BUILDINGS, STRUCTURES AND USES

4.9.1 Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose. Any uses which were illegal prior to the passing of this By-law shall remain illegal after the passing of this By-law.

4.9.2 Non-Conforming Buildings or Structures

The exterior of any building or structure, which at the date of passing of this By-law was lawfully used for a purpose not permissible within the Zone in which it is located, shall not be enlarged, extended, reconstructed or otherwise structurally altered, unless such building or structure is thereafter to be used for the purposes permitted within such zone, and complies with all requirements of this By-law for such Zone.

4.9.3 Permitted Interior Alteration

The interior of any building or structure, which at the date of passing of this By-law was lawfully used for a purpose not permitted within the Zone in which such building or structure is located, may be reconstructed or structurally altered in order to render the same more convenient or

commodious for the same purpose for which, at the date of passing of this By-law, such building or structure was lawfully used.

4.9.4 Restoration to a Safe Condition

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof, lawfully used on the date of passing of this By-law, provided that the strengthening or restoration does not increase the building height, size or volume or change the use of such building or structure in such a manner as to contravene any provisions of this By-law.

4.9.5 Reconstruction of Damaged Existing Buildings or Structures

Nothing in this By-law shall apply to prevent the reconstruction of any lawful non-conforming building or structure which is damaged by causes beyond the control of the owner, provided such reconstruction does not increase the building height, size or volume or change the use of such building or structure.

4.9.6 Non-Complying Buildings or Structures

Nothing in this By-law shall prevent the enlargement, extension, reconstruction, renovation, repair or alteration of a building or structure, which existed at the date of passing of this By-law, which is used for a purpose specifically permitted within the Zone in which such building or structure is located, where such building or structure does not comply with the setback or one or more yards that is or are less than required under the provisions of this By-law provided that the setback or yard or yards that is or are less than required are not further reduced and that all other provisions of this By-law are complied with.

4.9.7 Building Permit Issued

The provisions of this By-law shall not apply to prevent the erection or use of any building or structure, for a purpose prohibited by this By-law, for which a permit has been issued pursuant to the *Building Code Act* prior to the date of passing of this By-law, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was erected, provided further that the permit has not been revoked pursuant to the *Building Code Act*.

4.9.8 Change of Use

The use of a lot, building or structure which under the provisions hereof is not permissible within the Zone in which such lot, building or structure is located, shall not be changed, except to a conforming use.

4.10 EXISTING UNDERSIZED LOTS

4.10.1 Where a lot having a lesser lot area and/or lot frontage than required by this By-law is held under distinct and separate ownership from abutting lots as shown by a registered conveyance in the records of the Registry of Land Title Office, at the date of passing of this By-law, or where such a lot is created as a result of an expropriation, such smaller lot may be used and a single detached dwelling may be erected, altered or used on such smaller lot provided that the lot area is not less than 1,400 square metres (15,069.97 ft.²) and the lot frontage is not less than 30 metres (98.42 ft.), and further provided that the proposed use is permitted in the zone which applies to the property and complies with all other requirements of this By-law.

Notwithstanding the above, within the Village of Colborne (all lands on Schedule "A-1" of this By-law), where a lot having a lesser lot area and/or lot frontage than required by this By-law is held under distinct and separate ownership from abutting lots as shown by a registered conveyance in the records of the Registry of Land Title Office, at the date of passing of this By-law, or where such a lot is created as a result of an expropriation, such smaller lot may be used and a building or structure may be erected, altered or used on such smaller lot provided that all other requirements of this By-law are complied with.

In addition to the above, the use of any existing undersized lot shall be permitted only if the lot can be provided with an adequate supply of potable water, and all relevant sewage disposal requirements under the Ontario Building Code are complied with.

4.10.2 Notwithstanding the provisions of Section 4.10.1 hereof to the contrary, lots within Reference Deposit (R.D.) Plans shall only be used for a single detached dwelling in accordance with the following:

- (a) the lot shall provide a minimum building area of 1,400 square metres (15,069.97 square feet) outside of any lands zoned Environmental Conservation (EC) on the lot;
- (b) the lot shall front upon an improved public street or road; and
- (c) two or more R.D. lots may be merged into a single lot to achieve the above requirements as necessary.

4.11 FLOOD SUSCEPTIBLE LANDS IN THE VILLAGE OF COLBORNE

Certain lands within the built-up areas of the Village of Colborne which are susceptible to flooding have been denoted by the special sub-category “(F)” zone.

The following provisions shall apply only to lands within the Village of Colborne (all lands on Schedule “A-1” of this By-law only):

4.11.1 Continuation of Existing Uses

Notwithstanding any other provisions of this By-law to the contrary, the lands exhibiting a zone category with the “(F)” sub-category may continue to be used for those uses existing as of the date of passing of this By-law.

4.11.2 Calculation of Lot Area and Frontage

Notwithstanding any other provisions of this By-law to the contrary, where a lot exhibits a zone category with the “(F)” sub-category, that portion of the lot with the “(F)” sub-category shall contribute to the calculation of lot area and lot frontage.

4.11.3 Additions or Alterations

Additions and alterations to existing buildings and structures shall only take place where they will not be subject to any flood-related damages and where they will not increase the potential for flooding on the site or upstream or downstream of the site. Additions and alterations shall be subject to the approval of the Conservation Authority.

4.11.4 Repair or Replacement of Damaged or Destroyed Buildings

Where an existing building or structure is destroyed or severely damaged by an event beyond the control of the owner, such building or structure may be repaired or reconstructed provided that floodproofing measures are implemented to the extent and level possible while taking into account the potential impact on other properties and the nature of the neighbouring properties.

4.12 FRONTAGE REQUIREMENTS

4.12.1 Public Street

No person shall erect any building or structure in any Zone unless the lot upon which such building or structure is to be erected fronts upon an improved public street, maintained year round, and further, that such building or structure complies with the setback provisions of this By-law.

4.12.2 Unassumed Road

Notwithstanding the provisions of 4.12.1 hereof to the contrary, the provisions of this By-law shall not apply to prevent the erection of a permitted building or structure on a lot in a Registered Plan of Subdivision where a properly executed subdivision agreement has been entered into with the Municipal Corporation whereunder the street or streets will not be assumed by the Municipality until such time as specified in the said agreement.

4.12.3 Navigable Waterway

Where access to any Residential Zone category is by navigable waterway, no person shall erect any building or structure on a lot unless the lot has water frontage upon the navigable waterway.

4.12.4 Private Right-Of-Way

4.12.4.1 Notwithstanding the provisions of 4.12.1 hereof, where a building has been erected prior to the date of passage of this By-law on a lot which fronts on a private right-of-way registered on title and provides legal ingress and egress to an improved public street, the provisions of this By-law shall not apply to prevent the enlargement, alteration, extension, renovation or reconstruction of such a building or structure, provided the use of such building or structure is permissible in the zone in which it is located and that all other applicable Zone Provisions of this By-law are complied with.

4.12.4.2 If an existing lot is located in a Limited Service Residential (LSR) Zone and if such lot does not abut a public road but does abut a private right-of-way providing access thereto, then the lot shall be exempt from the provisions of Section 4.12.1 hereof.

4.13 GREATER RESTRICTIONS

This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by a government authority having jurisdiction to make such restrictions.

4.14 GROUP HOMES

Group Homes, with the exception of Group Homes that are licensed under the *Ministry of Correctional Services Act* or secure custody children's residences shall be permitted only in the Zones in which a Group Home is identified as a permitted use.

Notwithstanding any other provisions of this By-law to the contrary, the following provisions shall apply to group homes located within the Township of Cramahe:

- (a) a maximum of one group home shall be permitted on a lot, and shall be permitted only in a single detached dwelling;
- (b) a maximum of 10 group home clients per 1,000 residents of the Municipality shall be permitted;
- (c) no group home shall be located within 1,000 metres (3,280.84 ft.) of another group home;
- (d) the establishment of a group home not in accordance with these special provisions shall require an amendment to this By-law.

4.15 HOLDING ZONE PROVISIONS

4.15.1 Permitted Uses

Where a zone symbol on “Schedule A” is followed by the Holding zone symbol “H” the permitted uses and relevant zone provisions applicable to that zone do not apply until such time as the Holding zone symbol “H” is removed in accordance with the requirements of the *Planning Act*.

Prior to the removal of the Holding zone symbol “H” only uses that existed as of the date of the adoption of the Holding zone provisions shall be permitted.

4.15.2 Regulations for Permitted Uses

All regulations and provisions which apply in a zone category where there are no Holding zone provisions in effect shall also apply where a Holding zone has been established.

4.15.3 Removal of the Holding Symbols

A Holding zone symbol shall only be removed in accordance with Section 36 of the *Planning Act*, 1990, as amended, and only when Council is satisfied that the criteria for the removal of the Holding zone symbol that are specified in the By-law that established the Holding zone symbol for the area have been met in a manner and form acceptable to Council.

Where a Holding zone symbol has been applied in relation to an existing or former Waste Disposal Area, the Holding provision shall only be removed upon the completion of criteria as outlined in the Township’s Official Plan.

4.16 HOME INDUSTRIES

A home industry as defined in this By-law shall only be permitted in the Rural (RU) Zone or Agricultural (A) Zone providing such home industry complies with the following provisions:

4.16.1 Uses Permitted

Permitted uses shall include those uses in accordance with the definition of "Home Industry" in this By-law.

4.16.2 Relationship to Principal Use

The home industry may be operated or located in any part of an accessory building or on any part of a lot subject to the applicable provisions of this By-law. A home industry shall not be permitted to operate or locate in any part of a dwelling house on a lot.

The total number of home industries permitted shall be limited to one per lot. Where a home industry is conducted on a lot, a separate home occupation shall not be permitted on the same lot.

4.16.3 Occupancy

A home industry shall only be operated by the occupant of a dwelling which is located on the same lot.

Not more than two (2) persons, other than the occupants of the premises shall be employed in the home industry.

4.16.4 Size

Not more than 100 square metres (1,076.43 ft.²) of floor area of all accessory buildings or structures on any lot shall be devoted to a home industry use.

4.16.5 Yard Requirements

The home industry shall only be permitted on a lot with the following minimum yard and setback provisions:

- (a) A home industry shall not be permitted to locate in any front yard.
- (b) Minimum yard requirement for accessory home industry building or activity (all other yards) 20.0 m (65.62 ft.)

- | | |
|--|---------------------|
| (c) Minimum Separation Distance from any Residential, Commercial, or Community/Open Space Zone | 60.0 m (196.85 ft.) |
| (d) Minimum Separation from a dwelling located on another lot | 30.0 m (98.42 ft.). |

4.16.6 Advertising

There shall be no external display or advertisement other than a legal sign which is a maximum size of 1.0 square metre (10.76 ft.²).

4.16.7 Buffering

Any area used for outdoor storage/activity or parking associated with the home industry shall be screened in such a manner as to render the materials, items or activity as not being visible from a public street or road or from adjacent properties.

4.16.8 Parking

Any vehicles associated with a home industry shall be parked in an area other than a public street or a required front yard. A minimum of two (2) parking spaces shall be provided in addition to those parking requirements of Section 4.24.

4.17 HOME OCCUPATIONS

A home occupation as defined in this By-law shall be permitted in any Zone where a dwelling house or dwelling unit is a permitted use, provided the home occupation complies with the following provisions:

4.17.1 Relationship to Principle Use

The home occupation shall be clearly secondary to the main use on the lot and shall not change the residential character of a dwelling unit or the lot upon which it is located.

4.17.2 Occupancy

Any dwelling unit containing a home occupation shall be occupied as a residence by the operator of such home occupation.

No person other than a resident of the dwelling unit shall be engaged in such home occupation.

4.17.3 Size

A home occupation may be operated or located in any part of a dwelling or accessory building provided that the area devoted to such use shall not occupy more than a floor area equivalent to 25% of the gross floor area of the dwelling or 50 square metres (538.21 ft.²) of floor area, whichever is the lesser.

4.17.4 Advertising

There shall be no external display of advertising other than a non-illuminated sign not exceeding .36 square metres (3.88 ft.²) in area and the highest point of the sign or supporting post shall not be higher than 1.2 metres (3.94 ft.) above the surrounding average grade level to indicate to persons outside that any part of the dwelling or lot is being used for a purpose other than residential.

4.17.5 Display of Goods and Outside Storage

There shall be no outside storage or outside display of materials, supplies, equipment, tools, products or goods which are used for, or result from, the home occupation.

4.17.6 Sales or Rentals

Only those goods, wares, merchandise or services that are directly related to the permitted home occupation and are produced on the premises may be offered for sale or rent.

4.17.7 Public Nuisance

The operation of a home occupation shall not create nor become a public nuisance, in particular in regard to noise, traffic or parking.

There shall be no equipment or process used which creates noise, vibration, glare, fumes, odours, or electrical interference in excess of that normally experienced in a residential neighbourhood.

4.17.8 Parking

All parking spaces shall be provided on the same lot as the home occupation, and shall be provided in accordance with the requirements of Section 4.24.

4.18 KENNELS

Commercial kennels shall be located and operated in accordance with the

Municipality's Kennel By-law.

4.19 LOADING SPACE REGULATIONS

4.19.1 Loading Space

Loading or unloading spaces are required under this By-law, in accordance with the Loading Space Requirement Table and the owner of every building or structure erected or used for any purpose involving the receiving, shipping, loading or unloading of goods, wares, merchandise or raw materials shall provide and maintain on the lot loading and unloading spaces accordingly. Each loading or unloading space shall be at least 9.0 metres (29.53 ft.) long, 3.5 metres (11.48 ft.) wide and have a vertical clearance of at least 5.0 metres (16.40 ft.). In addition, adequate space shall be provided for the parking of vehicles awaiting access to the loading or unloading spaces.

LOADING SPACE REQUIREMENT TABLE

Area of Building	Loading Space
280 m ² (3,013.99 ft. ²) or less	1 space
Exceeding 280 m ² (3,013.99 ft. ²) but not 2,300 m ² (24,757.80 ft. ²)	2 spaces
Exceeding 2,300 m ² (24,757.80 ft. ²) but not 7,500 m ² (80,731.97 ft. ²)	3 spaces
Exceeding 7,500 m ² (80,731.97 ft. ²)	3 spaces, plus 1 additional space for each additional 9,300 m ² (100,107.64 ft. ²) or fractional part thereof in excess of 7,500 m ² (80,731.97 ft. ²)

4.19.2 Access

Access to loading spaces shall be by means of a driveway at least 6.0 metres (19.69 ft.) in width contained on the lot on which the spaces are located and leading to an improved public street as defined herein.

4.19.3 Loading Space Surface

Driveways, loading spaces, and related aisles and turning areas shall be

maintained with a stable surface which is treated so as to prevent the raising of dust.

4.19.4 Location

The loading space or spaces required herein shall be located on the lot occupied by the building, structure or use for which the loading spaces are required, and shall be located in a side or rear yard unless such space or spaces are removed from the street line a minimum distance of 15 metres (49.21 ft.) as measured from the street line to the nearest part of the loading space. No loading space shall be located closer than 7.5 metres (24.6 feet) to any other lot line.

4.19.5 Additions to or Changes in Use of Existing Buildings

The loading space requirements referred to herein shall not apply to any existing building so long as the gross floor area, as it exists, is not increased. If an addition is made to the building or structure which increases the gross floor area, then additional loading spaces shall be provided in accordance with 4.19.1 hereof and in accordance with the provisions of the Loading Space Requirement Table for such addition.

4.20 LOTS CONTAINING MORE THAN ONE USE

Where a lot contains more than one use which is not an accessory use as defined herein except for an accessory dwelling house or dwelling unit, the lot area requirement shall be the sum of the requirements for the separate uses thereof; however, the lot frontage requirement shall be the greatest of the lot frontage requirements for each individual use in the zone where such lot is located.

4.21 LOTS DIVIDED INTO MORE THAN ONE ZONE

Where an existing lot is divided into more than one zone the provisions of the applicable zone, save and except lot area and lot frontage, shall apply to each portion of such lot provided the lot as a whole has a minimum frontage of 15 metres (49.21 ft.). In such instances, the zone boundary shall be considered a lot line for the purposes of interpreting and applying the provisions and regulations of this By-law.

Notwithstanding the foregoing, no lot shall be created within any zone unless the lot created and the remnant lot comply with the minimum lot area and lot frontage requirements of the applicable zone.

Notwithstanding any other provision of this By-law to the contrary, where a portion of a lot is zoned Environmental Conservation (EC), those lands zoned Environmental Conservation (EC) may be used in calculating the minimum lot area

and minimum lot frontage requirements.

4.22 MINIMUM DISTANCE SEPARATION REQUIREMENTS - AGRICULTURAL USES

All development shall comply with the Minimum Distance Separation Formulae contained in the publication “Minimum Distance Separation (MDS) Formulae, Implementation Guidelines”, Publication 707, Ministry of Agriculture, Food and Rural Affairs, Queen’s Printer, Toronto, 2006, as amended from time to time, which is attached to this By-law as Schedule “B” and forms part of this By-law.

Notwithstanding the above, the Minimum Distance Separation I (MDS I) shall not apply to lots existing at the date of passing of this By-law which are less than 4.0 hectares (9.88 acres) in area.

4.23 MOBILE VENDORS

Mobile vendors operations shall be located and operated in accordance with the applicable Municipal by-law.

4.24 PARKING AREA REGULATIONS

4.24.1 Parking Space Requirements

The owner of every building or structure erected or used for any of the purposes hereinafter set forth shall provide and maintain for the sole use of the owner, occupant or other persons entering upon or making use of the said premises, from time to time, one or more parking spaces in accordance with the following Parking Space Requirements Table. The minimum number of off-street parking spaces required shall be calculated to the nearest whole number.

Notwithstanding the foregoing, for any property in the Village Commercial (VC) Zone adjacent to King Street East or Victoria Square Park in the Village of Colborne, such off-street parking spaces shall not be required and may instead be provided in the form of Municipally-owned parking lots or on-street parking.

4.24.2 Parking Area Surface

Parking spaces, areas and driveways connecting the parking space or area with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles.

4.24.3 Parking Space Size and Access

Parking spaces and areas shall be designed and constructed in accordance with the following:

- (a) Each required parking space shall have a minimum width of 3.0 metres (9.84 ft.) and a minimum length of 6.0 metres (19.68 feet).
- (b) Access to the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways at least 3 metres (9.84 ft.), but not more than 9 metres (29.53 ft.) in perpendicular width.
- (c) The aisles between parking spaces within a parking area shall have a minimum width of 5.5 metres (18.04 ft.).
- (d) The maximum width of any combined ingress and egress driveway ramp measured along the street line shall be 9 metres (29.53 ft.).
- (e) The minimum distance between any two driveways on one lot, or, between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 7.5 metres (24.60 ft.).
- (f) The minimum angle of intersection between a driveway and a street line shall be 60 degrees.
- (g) Every lot shall be limited to the following number of driveways, namely:
 - (i) up to the first 30 metres (98.42 ft.) of lot frontage, not more than two driveways with a combined width not exceeding thirty percent of the lot frontage; and
 - (ii) for each additional 30 metres (98.42 ft.) of frontage, not more than one additional driveway.

4.24.4 More Than One Use on a Lot

When a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use, unless otherwise specified herein.

4.24.5 Yards Where Permitted

Notwithstanding the yard provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in all yards provided that no part of any parking area, other than a driveway, is located closer than 1.0 metre (3.28 ft.) to any street or lot line, or, for parking areas located within Non-Residential Zones, closer than 7.5 metres (24.60 ft.) to any Residential Zone.

4.24.6 Additions to or Change in Use of Buildings

The parking space requirements referred to herein shall not apply to any building or structure in existence at the date of passing of this By-law so long as the floor area, as it existed at such date, is not increased. If an addition is made to the building or structure which increases the floor area, then parking spaces for the addition shall be provided as required by the Parking Space Requirement Table. Where a change in use of the building or structure occurs, parking spaces shall be provided in accordance with the requirements of the Parking Space Requirement Table.

4.24.7 Use of Parking Spaces and Areas

- (a) Parking areas and parking spaces required by this By-law shall be used for the parking of operative, currently licensed vehicles only, and for vehicles used in operations incidental to the permitted uses in respect of which such parking areas and spaces are required or permitted.
- (b) No person shall use any lot in a Residential Zone for the parking or storage of more than one of any commercial motor vehicle in excess of one (1.0) tonne capacity. Commercial vehicles parked or stored on a lot in a Residential Zone, other than those vehicles on a delivery or similar service call, shall be owned and/or operated by the occupant of the dwelling situated on the lot.
- (c) The outside parking or storage of not more than one trailer, truck camper, or camper trailer may be permitted on any lot in a Residential Zone, provided that such trailer or camper unit is owned and/or operated by the occupant of the dwelling situated on the lot.
- (d) Notwithstanding any provision of this By-law to the contrary, a semi-trailer as defined in this By-law, or trailer with a trailer converter dolly as

defined in this By-law, shall not be parked or stored on any lot in a Residential Zone.

4.24.8 Parking Space Location on Other Lots for Non-Residential Uses

Except as permitted in Section 4.24.1, a required parking area shall not form part of a street or lane. The required parking area shall be provided on the lot occupied by the building, structure or use for which said parking area is required, except in the case of a non-residential use, the required parking area may be provided on another lot if such parking area is not more than 150 metres (492.13 feet) from the lot requiring the parking area.

4.25 PROHIBITED USES

The following uses are prohibited in any Zone:

- (a) Blood boiling, bone boiling, extracting oil from fish or animal matter, manufacture or storage of fertilizers from dead animals or animal waste.
- (b) A track for the racing of motor vehicles, motorcycles, snowmobiles or recreational vehicles.
- (c) Except as specifically provided herein, any mobile home or any rented site for a mobile home, or any mobile home park.
- (d) Except as specifically provided herein, the use of tents and trailers for human habitation or for business or other purposes.
- (e) Waste disposal areas and sewage treatment facilities, including sewage lagoons are prohibited except where specifically permitted by this By-law.
- (f) Incinerators for the disposal of waste materials.
- (g) Except as may otherwise be specifically permitted under this By-law, no use shall be permitted which, from its nature or the materials used therein, is declared by the Ministry of the Environment and Energy, the local Health Unit or the Council of the Corporation of the Township of Cramahe to be a noxious use.

4.26 PUBLIC USES

4.26.1 General

Except as provided for in Section 4.26.2 hereof, the provisions of this By-law shall not apply to prohibit the use of any lot or the erection or use of any building or structure for the purposes of public services provided by the Corporation of the Township of Cramahe or any Public Authority including

any department of the County of Northumberland or any Department or Ministry of the Government of Canada or Ontario, or any Conservation Authority, and for the purposes of this section shall include Hydro One; any telephone or telecommunication, cable television or telegraph company; and, any natural gas distribution system operated by a company which possesses all the necessary powers, rights, licenses and franchises.

Solid waste landfill sites and sewage treatment facilities shall not be considered to be a public use for the purposes of this section.

4.26.2 Location Restrictions

Notwithstanding the provisions of Section 4.26.1 hereof to the contrary, where a particular use is specifically authorized in a zone category or categories, such use shall not be permitted in any other zone category for which it is not specifically authorized regardless of whether such use is to be carried on by a public authority.

4.26.3 Streets and Installations

Nothing in this By-law shall prevent land to be used as a street or prevent the installation of a water main, sanitary sewer main, storm sewer main, gas main, pipe line or overhead or underground hydro, telephone or other supply and/or communication line, provided that the location of such main or line has been approved by the Corporation of the Township of Cramahe. Such approval should not be required for any electric power facility authorized under the *Environmental Assessment Act*.

4.27 SETBACKS FROM WATER BODIES AND WATERCOURSES AND SPECIAL PROVISIONS FOR LAKE ONTARIO

4.27.1 General Setback for Buildings

Buildings shall be set back a minimum of 30.0 metres (98.42 ft.) from the normal high water mark of all water bodies and watercourses, including the boundaries of wetlands within the Environmental Conservation (EC) Zone.

Notwithstanding any other provision of this By-law to the contrary, the setback requirements of Section 4.27.1 shall not apply to lands within the Village of Colborne (all lands on Schedule "A-1" of this By-law).

4.27.2 Setbacks from Lake Ontario

Notwithstanding Section 4.27.1, no buildings shall be located within 45 metres (147.63 ft.) of the stable toe of the slope or the high water mark of Lake Ontario, or the limit of the Environmental Conservation (EC) Zone

adjacent to the shoreline of Lake Ontario, whichever is greater.

In addition to the above, buildings shall be set back a minimum of 6.0 metres (19.68 ft.) from the boundary of the Environmental Conservation (EC) Zone adjacent to the Lake Ontario Shoreline for emergency access. Further, where the Conservation Authority has identified a dynamic beach hazard, an additional minimum development setback of 15.0 metres (49.21 ft.) in addition to the aforementioned 6.0-metre setback shall be required from the boundary of the Environmental Conservation (EC) Zone.

Section 4.8 of this By-law (Established Building Line) shall not apply to any lot that is subject to Section 4.27.2.

4.27.3 Special Provisions for Lake Ontario Shoreline

Certain lots having existing development and zoned Shoreline Residential (SR) or Limited Service Residential (LSR) adjacent to the Lake Ontario shoreline have a suffix denoted "HL", for example, "SR-HL" and "LSR-HL". The "HL" suffix recognizes that those lots may be subject to natural hazards related to Lake Ontario including flooding, erosion, wave uprush, and dynamic beach hazards. New development on lots with an "HL" suffix shall be subject to the provisions of Section 4.27.2, and shall require the approval of the Conservation Authority. Except as set out in Section 4.27.2, all other applicable provisions of the Shoreline Residential (SR) Zone and the Limited Service Residential (LSR) Zone shall apply.

4.28 SETBACKS ON COUNTY ROADS

The minimum setback from the centreline of a County road shall 18.29 metres (60.0 feet), plus the applicable front yard depth or exterior side yard width as the case may be. This provision shall not apply to any County Road within the area included on Schedule "A-1" (i.e., any County Road within the Village of Colborne).

4.29 SPECIAL SEPARATION DISTANCE - INDUSTRIAL AND SENSITIVE LAND USES

Notwithstanding the minimum yard provisions of this By-law to the contrary, the following separation distances shall apply for industrial and sensitive land uses:

4.29.1 Industrial uses as defined herein shall be separated from sensitive land uses based on the following minimum setbacks:

- | | |
|-----------------------------------|--------------------|
| (a) Class I Industrial Facility | 20 m (65.62 ft.) |
| (b) Class II Industrial Facility | 70 m (229.66 ft.) |
| (c) Class III Industrial Facility | 300 m (984.25 ft.) |

4.29.2 Notwithstanding subsection 4.29.1 to the contrary, the minimum setbacks from sensitive land uses may be reduced where mitigation at the industrial source is possible.

4.30 SPECIAL SEPARATION DISTANCES - PIPELINE RIGHT-OF-WAY

Notwithstanding the minimum yard provisions of this By-law to the contrary the minimum setback for any building from a pipeline right-of-way shall be 10 metres (32.81 ft.)

4.31 SPECIAL SEPARATION DISTANCES - PITS AND QUARRIES AND RESIDENTIAL AND OTHER USES

Notwithstanding the minimum yard provisions of this By-law to the contrary the following separation distances shall apply:

4.31.1 No pit use or quarry use (no blasting) shall be established or made within 120 metres (393.70 ft.) of any lands zoned for residential, institutional or commercial uses or an existing residential dwelling located in a Rural (RU) Zone or Agricultural (A) Zone.

4.31.2 No lands may be zoned for residential, commercial or institutional uses nor shall a residential dwelling be constructed which is located within 120 metres (393.70 ft.) of an existing pit use or an existing quarry use (no blasting).

4.31.3 No quarry use which includes blasting shall be established or made within 215 metres (705.38 feet) of any lands zoned for residential, institutional or commercial uses or an existing residential dwelling located in a Rural (RU) Zone or Agricultural (A) Zone.

4.31.4 No lands may be zoned for residential, commercial or institutional uses nor shall a residential dwelling be constructed which is located within 215 metres (705.38 ft.) of an existing quarry use which includes blasting.

4.31.5 No pit use or quarry use shall be located within 100 metres (328.08 ft.) of any lands zoned Environmental Conservation (EC) Zone or any waterbody or watercourse.

4.32 SPECIAL SEPARATION DISTANCES - RAILWAY CORRIDORS

Notwithstanding the minimum yard provisions of this By-law to the contrary the minimum setback for residential and institutional uses or an assembly hall or office building from a railway corridor is 120 metres (393.70 ft.).

Notwithstanding the foregoing, the minimum setback shall be 30 metres (98.42 ft.) where a 2.5 metre (8.20 ft.) high safety berm and a 1.83 metre (6.0 ft.) high chain link security fence is installed.

4.33 SPECIAL SEPARATION DISTANCES - WASTE DISPOSAL AREAS

Notwithstanding the minimum yard provisions or other separation distances of this By-law to the contrary, the minimum separation distance between a sensitive land use shall be:

- (a) 500 metres (1,640.41 feet) to a Waste Disposal Industrial (MD) Zone waste disposal area or sanitary landfill site; or
- (b) 120 metres (393.7 feet) to a Waste Disposal Industrial (MD) Zone waste transfer station, recycling facility, sewage treatment facility, or salvage yard;

except where the provisions of Section 4.29 would require a greater minimum setback.

4.34 SIGHT TRIANGLES

Notwithstanding any other provisions of this By-law to the contrary, no person shall, within a sight triangle park a motor vehicle, as defined in the *Highway Traffic Act*, or erect any building or structure which would obstruct the vision of drivers of motor vehicles or use any land for the purposes of growing shrubs or trees in excess of 1.0 metre (3.28 ft.) in height.

4.35 THROUGH LOTS

Where a lot, which is not a corner lot, has lot frontage on more than one street, the setback and front yard requirements contained herein shall apply on each street in accordance with the provisions of the Zone or Zones in which such lot is located.

4.36 WAYSIDE PITS AND QUARRIES

Notwithstanding the minimum yard provisions of this By-law to the contrary the following provisions shall apply for a wayside pit or quarry use:

- 4.36.1** No wayside pit or wayside quarry use may be established or made within 100 metres (328.08 ft.) of any lands zoned for residential, commercial or institutional uses, or lands zoned Environmental Conservation (EC).

- 4.36.2 No new residential, commercial or institutional development shall be permitted within 100 metres (328.08 ft.) of an existing wayside pit or wayside quarry for the length of time that such wayside pit or quarry is in operation.
- 4.36.3 No wayside pit or wayside quarry use may be established or made within 100 metres (328.08 ft.) of any waterbody or watercourse.
- 4.36.4 A portable asphalt plant and/or portable processing plant may be permitted within the area of such pit or quarry as an accessory use thereto.

4.37 OAK RIDGES MORaine PROVISIONS

4.37.1 Single Detached Dwelling House Permitted

- (a) Notwithstanding any provision of this By-law, within the Oak Ridges Moraine Conservation Plan Area, a single detached dwelling is a permitted use, if a single detached dwelling was a permitted principal, or accessory, use in the former Township of Cramahe Comprehensive Zoning By-law No. 99-26 as of November 15, 2001, provided the single detached dwelling complies with all other provisions of the applicable zone, and the applicable provisions of Section 4 of this By-law, and further, the applicant submits information at the time of building permit application that the use, erection and location will not, to the extent possible, adversely affect the ecological integrity of the Oak Ridges Moraine. This information may include a natural heritage evaluation and/or hydrological evaluation completed in accordance with the Oak Ridges Moraine Conservation Plan and will be approved by the Township in consultation with the local Conservation Authority. Approval of the development is subject to site plan approval by the Township. For the purposes of this zone provision, the term “single detached dwelling” as defined in Section 3.61.9 of this By-law shall mean the same as a “single dwelling” as defined in Section 3B.64.

Notwithstanding any other provision of this By-law to the contrary, where a single detached dwelling is permitted under the above provisions the applicable regulations of Section 7.2 of this By-law shall apply.

4.37.2 Expansion of Existing Buildings and Structures, and Accessory Uses

- (a) The expansion of legally existing non-agriculture-related buildings and structures in any zone is permitted to a maximum of 100 percent

of the ground floor area of the building or structure as of November 15, 2001. Provided all other regulations of this By-law are met, there is no restriction on the size of the expansion of legally existing agriculture-related buildings and structures in any zone.

- (b) New accessory uses, buildings and structures, including swimming pools, related to the existing uses are permitted in any zone provided that:
 - i) the accessory use, building or structure complies with all provisions of the applicable zone;
 - ii) such expansion complies with all provisions of the applicable zone; and
 - iii) such expansion will not, to the extent possible, adversely affect the ecological integrity of the Oak Ridges Moraine. A natural heritage evaluation and/or hydrological evaluation may be required and will be approved by the Township in consultation with the local Conservation Authority. Approval of the development is subject to site plan approval by the Township.

- (c) Where the expansion of an existing building or structure or the establishment of an accessory use, building or structure intrudes on areas within the Oak Ridges Moraine Environmental Zone or the Oak Ridges Moraine Environmental Plan Review Zone areas as shown on Schedules "A-3" and "A-4" of this By-law, the applicant shall submit a natural heritage evaluation and/or a hydrological evaluation completed in accordance with the Oak Ridges Moraine Conservation Plan and will be approved in conjunction with the local Conservation Authority. Approval of the development is subject to site plan approval by the Township.

4.37.3 Mineral Aggregate Operation

- (a) Notwithstanding the provisions of this by-law, existing mineral aggregate operations or existing wayside pits within the Oak Ridges Moraine Core Zone may not be expanded beyond the boundary of the area under licence or permit.

- (b) The establishment or expansion of a mineral aggregate operation in accordance with the policies of the Official Plan shall comply with the provisions of Section 4.31 of this By-law, with respect to the zoning on surrounding properties.

4.37.4 Areas of High Aquifer Vulnerability

- (a) Notwithstanding any other provisions of this By-law to the contrary, the following uses are prohibited within an Area of High Aquifer Vulnerability as indicated by the zone shown on Schedule “A-5” of this By-law:
 - i) generation or storage of hazardous waste or liquid industrial waste;
 - ii) waste disposal sites and facilities, organic soil conditioning sites, and snow storage and disposal facilities;
 - iii) underground and above-ground storage tanks that are not equipped with an approved secondary containment device; and
 - iv) the use, creation, handling or storage of alfatoxin, tetrachlorodibenzo-p-dioxin, pentachlorodibenzo-p-dioxin, hexachlorodibenzo-p-dioxin, or tetrachlorodibenzo furan, or other contaminants listed in Schedule 3 (Severely Toxic Contaminants) to Regulation 347 of the Revised Regulations of Ontario, 1990.

4.37.5 Landform Conservation Area

- (a) Notwithstanding any other provisions of this By-law to the contrary, the following provisions shall apply within a Landform Conservation Area (Category 1) as indicated on Schedule “A-6” of this By-law.
 - i) the net developable area of the site that is disturbed shall not exceed 25 percent of the total site area; and
 - ii) the net developable area of the site that has impervious surfaces shall not exceed 15 percent of the total site area.
- (b) Notwithstanding any other provisions of this By-law to the contrary, the following provisions shall apply within a Landform Conservation Area (Category 2) as indicated on Schedule “A-6” of this By-law.
 - i) the net developable area of the site that is disturbed shall not exceed 50 percent of the total site area; and
 - ii) the net developable area of the site that has impervious surfaces shall not exceed 20 percent of the total site area.

4.37.6 Rapid Infiltration Basins and Columns

Notwithstanding any other provisions of this By-law to the contrary, new rapid infiltration basins and new rapid infiltration columns as defined in Section 3B of this By-law are prohibited on lands within the Oak Ridges

Moraine Conservation Plan Area, as shown on Schedules “A-3” to “A-6” of this By-law.

4.37.7 Transportation, Infrastructure and Utilities

(a) Notwithstanding any other provisions of this By-law to the contrary, all new transportation, infrastructure and utilities uses listed below, and all upgrading or extension of existing transportation, infrastructure and utilities uses, including the opening of a road within an unopened road allowance, are prohibited on lands within an Oak Ridges Moraine Environmental Zone as shown on Schedules “A-3” and “A-4” of this By-law:

- i) public highways;
- ii) transit lines, railways and related facilities;
- iii) gas and oil pipelines;
- iv) sewage and water service systems and lines and stormwater management facilities;
- v) power transmission lines;
- vi) telecommunications lines and facilities, including broadcasting towers;
- vii) bridges, interchanges, stations, and other structures, above and below ground, that are required for the construction, operation or use of the facilities listed in Clauses i) to vi) above; and
- viii) rights-of-way required for the facilities listed in Clauses i) to vii) above.

(b) Notwithstanding Section 4.37.7(a) of this By-law to the contrary, transportation, infrastructure, and utilities uses may be permitted to cross an Oak Ridges Moraine Environmental Zone, as shown on Schedules “A-3” and “A-4” of this By-law, in accordance with all applicable policies of the Official Plan.

4.37.8 Calculation of Zone Provisions – ORME Zone

Notwithstanding any other provisions of this By-law to the contrary, lands zoned Oak Ridges Moraine Environmental (ORME) Zone on Schedules “A-3” and “A-4” may be included in the calculation of any zone provisions for adjoining lands, provided that such lands used in the calculation are part of the same lot.

4.37.9 Waste Disposal Industrial and Assessment Area

Lands Zoned MD-1 on Schedule "A-4" shall be subject to the provisions of Section 19.5.1 of this By-law.

Where a holding symbol "(H)" has been applied in relation to the "Waste Disposal Assessment Area" shown on Schedule "A-4", the provisions of Section 4.15 of this By-law shall apply, and the holding symbol "(H)" shall only be removed upon the completion of corresponding criteria as outlined in the Official Plan of the Township of Cramahe.

4.37.10 Compliance with Township of Cramahe Official Plan and Oak Ridges Moraine Conservation Act and Plan

Notwithstanding any provision of this By-law to the contrary, all development shall comply with all applicable policies of the Official Plan of the Township of Cramahe related to the Oak Ridges Moraine Conservation Plan Area.

Where there is a conflict between this By-law and the *Oak Ridges Moraine Conservation Act*, or the Oak Ridges Moraine Conservation Plan, the more restrictive provisions shall prevail.

4.37.11 Existing Uses (Legal Non-Conforming Uses)

Notwithstanding any other provisions of this By-law to the contrary, uses that existed legally as of November 15, 2001, may continue until the use(s) cease to exist.
