

In 2016 the Township of Cramahe received funding for the Pre-Construction Gravity Sewer Assessment Project from the Clean Water and Wastewater Fund (CWWF). Total eligible costs are \$150,000 with a Municipal Contribution of \$15,000. This project will be completed in 2019.

The Clean Water and Wastewater Fund (CWWF) is a federal program designed to accelerate short-term community investments, while supporting the rehabilitation and modernization of drinking water, wastewater and stormwater infrastructure, and the planning and design of future facilities and upgrades to existing systems.

Through the CWWF, \$569.5 million was provided through federal infrastructure funding. The Province of Ontario is cost-matching recipient contributions up to a maximum of 25% of total eligible costs, including:

- Rehabilitation projects;
- New construction projects;
- Optimization initiatives; and
- Planning and design work.
