

NEW MEMBERS NEEDED

Our annual general meeting will be held Monday, January 21st at 7:00pm in the
Castleton United Church.

New members are needed as 95% of our committee is within their final year of
involvement.

This organization has a long history of volunteers who continue to privately own and
operate the Castleton Sports Field.

Please come and share your ideas and show your support, as without new volunteers
and involvement from the community activities within the sports club could be
dismissed.

We look forward to seeing you all at the meeting and discussing new ideas.

Thanks,

The Castleton Sports Club
