

ATTENTION

POLICE TRAINING IN THE AREA

The Ontario Provincial Police will be conducting training in your area on April 9 and 10, 2019.

Training will start at approximately 12:00 p.m. each day and end before dark.

What should you expect?

You may hear gun fire coming from the Ogdan Point Quarry location but sound is usually muffled due to the shape of the quarry and direction of the wind so you may not hear anything at all.

You will see an increase in police presence in the area.

Should you have any questions or concerns, please contact:
