

THE CORPORATION OF THE TOWNSHIP OF CRAMAHE

BY-LAW NO. BL-2022-06

Being a By-law to Provide for Interim Tax Levies for The Year 2022 For The Township of Cramahe.

Whereas Section 317 of the Municipal Act, 2001, S.O. 2001 C.25, as amended (the Act) authorizes a local municipality, before the adoption of the estimates for the year under Section 290, to pass a By-law levying amounts on the assessment of property in the local municipality ratable for local municipality purposes; and

Whereas the amount levied on a property shall not exceed the prescribed percentage, or 50 per cent if no percentage is prescribed, of the total amount of taxes for municipal and school purposes levied on the property for the previous year; and

Whereas the percentage established in the previous recital may be different for different property classes but shall be the same for all properties in a property class; and

Whereas for the purposes of calculating the total amount of taxes for the previous year, if any taxes for municipal and school purposes were levied on a property for only part of the previous year because assessment was added to the tax roll during the year, an amount shall be added equal to the additional taxes that would have been levied on the property if the taxes for municipal and school purposes had been levied for the entire year; and

Whereas Section 342 of the Act authorizes a municipality to provide for the payment of taxes in one amount or by instalments and the date or dates in the year for which the taxes are imposed on which the taxes or instalments are due; and

Whereas Section 342 of the Act authorizes a local municipality to provide for alternative instalments and due dates in the year for which the taxes are imposed other than those established under the previous recital to allow taxpayers to spread the payment of taxes more evenly over the year; and

Whereas Section 345 of the Act authorizes a local municipality to impose late payment charges for the non-payment of taxes or any instalment by the due date; and

Whereas Section 347 of the Act authorizes allocation of payment received for taxes,

NOW THEREFORE BE IT RESOLVED THAT the Corporation of the Township of Cramahe Council ENACTS as follows:

1) That there shall be levied an amount on the assessment of all properties ratable for local municipality purposes an interim levy based on 50% of the total amount of taxes for municipal and school purposes levied on the property for 2021, as adjusted.

2) That the taxes imposed by this By-law shall be paid in one instalment upon the following date:

- 29th day of April 2022.

3) That an amount levied under this By-law on a property in a year shall be deducted from any subsequent amounts levied on the property for the year that are payable to the local municipality.

4) That alternative instalments and due dates in the year for which the taxes are imposed other than those established under clause 2 are:

- One tenth of the total amount of taxes for municipal and school purposes levied on the property for the previous year due on the 15th day of each of the months February through June inclusive; and
- The total amount of taxes finally levied for the current year less the total of all instalments paid from February to June, due in five equal instalments on the 15th day of July through November.

5) That the Treasurer shall send a tax bill to every assessed property owner, at least 21 days before any taxes shown on the tax bill are due. The tax bill will be sent to the assessed property owner's residence or place of business or to the premises in respect of which the taxes are payable, unless the taxpayer directs the treasurer in writing to send the bill to another address, in which case it shall be sent to that address.

6) That a percentage charge of 1.25 per cent of the amount of taxes due and unpaid shall be imposed as a penalty for the non-payment of taxes on the first day of the month following the date the taxes were due.

7) That interest charges in the amount of 1.25 per cent each month of the amount of taxes due and unpaid, shall be imposed on the amount of taxes due and unpaid on the first day of each and every month the default continues.

8) The payment shall first be applied against late payment charges owing in respect of those taxes according to the length of time the charges have been owing, with the charges imposed earlier being discharged before charges imposed later.

The payment shall then be applied against the taxes owing according to the length of time they have been owing, with the taxes imposed earlier being discharged before taxes imposed later. 2001, c. 25, s. 347 (1); 2002, c. 17, Sched. A, s. 60.

9) That if an article of this By-law is for any reason held to be invalid, the remaining articles shall remain in effect until repealed.

This By-law comes into **FORCE** and takes **EFFECT** on the final reading thereof.

Read a first, second and third time and finally passed this 8th day of February 2022.
