2. APPLICATIONS

All applications for permits pursuant to the provisions of this By-Law shall be made to the Chief Building Official (hereafter referred to as the CBO) and the CBO shall be entitled to refuse to issue a permit for any sign or other advertising device that, if erected, displayed, altered or repaired, would be contrary to the provisions of any by-law of the Municipality, including the provisions of this by-law.

In addition to such other information as the CBO may require, an application for a permit pursuant to this by-law shall contain:

- a) A scaled plan, showing the street line(s) and other boundaries of the property upon which it is proposed to erect the sign and the location of the sign upon the property and upon the lands and street immediately adjoining thereto;
- b) Complete plans and specifications covering the construction of the sign and its supporting framework including the sign structure;
- c) Drawings of, and such other information with respect to any buildings or structures upon which it is proposed to locate a sign, as may be necessary to determine whether the construction of such building or structure will carry the additional loads and stresses imposed thereon. Such drawings shall in all cases have marked clearly thereon the height of such building or structure. Manufacturers shop drawings and advertising brochures may provide sufficient information to meet the requirements of this section

3. INSURANCE

An application for any sign which will be on or hang over public property shall be accompanied by a letter from an insurance company duly authorized to underwrite insurance in the Province of Ontario certifying to the Municipality that the owner of the sign has public liability and property damage insurance in the minimum amount of one million dollars (\$1,000,000) and that the Municipality is shown as named insured on the policy. The letter shall also certify that the policy provides that a minimum of thirty (30) days notice must be given to the Municipality prior to any alteration, revocation or termination of the said policy. In addition, the said owner shall provide to the CBO a written agreement to indemnify the Municipality (in a form and with wording satisfactory to the Municipality) against any and all action, causes of action, losses, damages, suits, judgments, orders, awards, claims, costs and demands.

4. EXISTING SIGNS

Signs that are existing at the time of final passage of this by-law shall be considered to be "Grandfathered" with respect to conformity with this by-law provided the following conditions are met:

- a) The owner of the sign has notified the Municipality on or before the thirtieth (30th) day after the passing of this by-law, in writing, of the existence of the sign.
- b) Said owner has provided the CBO with sufficient documentation and or photographs as necessary to detail the sign and its location.

Any existing signs not reported on or before the 30th day after this by-law has been passed shall be considered as new, and must conform to the requirements of Section 2.

5. APPLICABLE FEES

Sign applications shall be accompanied by a one-time fee, (not annual), of fifty dollars (\$50.00).

6. ISSUE OF PERMIT

When requirements of the by-law have been complied with and the CBO approves the application and all plans and drawings therewith, and when the applicable fees have been paid, the CBO shall issue a permit for the erection of the sign.

7. GENERAL

- a) No person shall cause or permit to be erected, placed, displayed, maintained, altered or repaired, any type of sign unless a permit has been obtained therefore in accordance with the provisions of this by-law.
- b) The provisions of this by-law shall NOT apply to:
 - i) any signs, bills, posters or placards erected or placed by the Municipality;
 - ii) signs erected on any street or highway by the Ministry of Transportation or by the Ontario Provincial Police for the regulation, control, information, protection and safety of the traveling public;
 - iii) all signs in the interior of buildings, whether they can be seen from the outside or not, and window painted signs;
 - iv) incidental signs;
 - v) signs for any home industry or home occupation, as described in the Municipality Zoning By-Law.
- c) No sign of any kind shall be attached to or place upon a building in such a manner so as to obstruct any door, window or fire escape or any window or door leading thereto, or any ventilating system, nor shall any sign be attached in any form, shape or manner to a fire escape.
- d) No sign shall be placed in such a position that any part of such sign, or the support thereof shall be nearer than 0.9 metres to any fire alarm, telephone, telegraph or other wire or conduit, carrying electric current without the written consent and approval of the person or Corporate body having jurisdiction over such wire or conduit.
- e) No banner, stringer, or advertising device shall be suspended across any street or any part thereof without the prior approval of the Council of the Municipality.
- f) Except for the Real Estate Development signs and Sandwich Board signs which have been authorized by this by-law, no sign other than Service Club, Charitable Organizations and/or First Aid signs shall be located on any Municipal street, square, footway, sidewalk or boulevard, and then only with the authorization of the Council of the Municipality.
- g) No person shall paint, print or impress any sign, notice or advertisement on any sidewalk on any street without having prior authority from the Council of the Municipality to do so.
- h) Directional Signs in any off-street parking area shall not exceed 1.1m² in area or 2.4m in height. Directional signs shall be permitted in all zones in addition to other signs. Directional signs are solely for the purpose of directing pedestrians or vehicular traffic and shall not contain any other wording, symbol or design except as is necessary to direct pedestrians or vehicular traffic.
- i) The illuminating of any type of sign or other advertising device shall not be carried out by any means, including but without limiting to, the use of red, green or amber lighting by means of spot lights, when in the opinion of the CBO, after consultation with the community Policing Officer, such lighting is likely to cause confusion to motorists or when illumination of any sign or other advertising device is likely to cause annoyance to residents in the area.
- j) Notwithstanding anything in this by-law, no sign shall be erected, placed or displayed which could reasonably obstruct vision of the driver or a motor vehicle on a public street or driveway.
- k) Provided that a sign is otherwise permitted by the provisions of this by-law, a building having two exposures or more is permitted one fascia display on each exposure.
- l) No sign or other advertising device or structure shall extend on or over public property except for fascia displays authorized by this by-law, awnings authorized by this by-law and/or a marquee structure which existed on the date of the passing of this by-law

8. FASCIA SIGNS

- a) Where a fascia sign overhangs public property, the overhang shall not be more than 0.3 metres from the wall surface of the building to which it is attached.
- b) No sign or other advertising device (whether fascia or otherwise) shall be erected upon or attached to any building unless such building will carry the additional dead load or wind load due to the erection of such sign or advertising device and the CBO may require from the owner, certification by a qualified Professional Engineer as to the strength of the building to withstand the additional load. Fascia signs shall be securely fastened to a masonry wall by means of anchors, bolts, expansion screws or similar connectors. A fascia sign attached to a wall or wood may be anchored with wood blocks used in connection with screws and nails. A fascia sign shall not be supported entirely by an unbraced parapet wall.

- c) The clearance between the lowest portion of any fascia sign or part thereof and the surface below shall be not less than 3.0 metres unless otherwise permitted by the CBO.

9. ROOF SIGNS

- a) No sign shall be placed upon the roof of any building unless such sign is constructed with open wirework having the letters fastened to the open wirework and the frames, braces and other supports are of metal and the CBO is satisfied that the building, sign, structure and parts thereof are capable of supporting such applied load. No sign constructed either wholly or partly of wood and/or supported on a framework constructed wholly or partly of wood shall be erected upon the roof of any building.
- b) The supports of a sign on a roof shall appear to be free of any extra bracing, angle iron, guy wires, cables, etc. The supports shall appear to be an architectural and integral part of the building.
- c) Subject to the overriding requirements of the Municipality's Zoning By-Law, no sign shall be erected to a height exceeding 7.6 meters above the roof of any building, such height to be measured from that portion of the roof immediately below the sign.
- d) Every sign erected upon the roof of any building shall be so located as to maintain a vertical space of at least 0.9 metres between the roof or parapet wall of such building and the bottom of such sign.

10. MOBILE SIGNS

- a) No person shall cause or permit to be placed or displayed, a mobile sign on any land within the municipal limits of the Municipality unless and until a permit has been obtained for same in accordance with the provisions of this by-law
- b) Notwithstanding the provisions of Section 16 of this by-law, a mobile sign, when authorized in accordance with the provisions of this by-law, shall be permitted in any zone within the limits of the Municipality in addition to any other permitted signs on such property provided that the mobile sign shall be located in accordance with the provisions of the Municipality's Zoning By-Law.
- c) A permit issued pursuant to the provisions of this by-law for a mobile sign shall be for a maximum period of eight (8) weeks per calendar year.
- d) A maximum of one mobile sign per lot shall be permitted at any one time.
- e) The maximum size of any mobile sign placed or displayed on any land within the municipal limits of the Municipality shall be 4.6m² on each side PROVIDED THAT Inflatable signs shall not be regulated as to their size.
- f) A mobile sign shall be removed by the owner of the land upon which that sign is situate forthwith upon the expiration of the permit granted for such mobile sign, failing which the Municipality shall be entitled to remove such sign at the expense of the owner of such land and the provisions of Section 15 shall apply.

11. REAL ESTATE DEVELOPMENT SIGNS

- a) No person shall place or display or permit to be placed or displayed a Real Estate Development Sign on any land within the municipal limits of the Municipality unless a permit has been obtained for same in accordance with the provisions of this by-law.
- b) Notwithstanding anything in this by-law, no Real Estate Development sign shall be permitted within any "sight triangle" as prescribed by the Municipality Zoning By-Law.
- c) In addition to the provisions of this section, no person shall place or permit to be placed any Real Estate Development sign on public lands without complying with the provisions of Section 3 of this by-law.
- d) A Real Estate Development sign, when authorized in accordance with the provisions of this by-law, shall only be displayed on Friday, Saturday and/or Sunday of any week in any calendar year. In addition thereto, such signs may be displayed on statutory holidays.
- e) The Municipality shall be entitled, without prior notice to the owner of the said sign, to confiscate and remove any Real Estate Development sign, at the expense of the owner of such sign, which is displayed in contravention of the provisions of this by-law.
- f) A Real Estate Development sign, when authorized in accordance with the provisions of this by-law shall, subject to the provisions of this by-law be permitted within the municipal limits of the Municipality notwithstanding the provisions of Section 16 of this by-law
- g) The maximum sign of any Real Estate Development sign shall be 1.1m² on each side and shall not exceed a height of 0.8 metres above existing ground measured at the base of the sign.

12. FREE STANDING SIGNS

- a) Free standing signs shall be constructed of non-combustible materials or pressure treated wood provided that the facings, letters, figures and structural trim may be made of approved combustible materials.
- b) Supports for free standing signs shall be located on private property only.
- c) Where supports for free standing signs are made of wood, such supports must be installed a minimum of 1.2 metres below ground level and the earth shall be well compacted around such supports. Where the supports for a free standing sign are made of a substance other than wood, such supports shall be set in concrete footings of sufficient size and weight to prevent the overturning of the sign.

13. OTHER TYPES OF SIGNS

- a) Notwithstanding the provisions of Section 16 of this by-law, on sign, not over 6m² in total area and not illuminated, located not closer than 15.2 metres from any street line or closer than 15.2 metres to a side or rear lot line, may be erected on the future site of an school, church, public, commercial or residential building, stating only the name of the building to be constructed on the lot and the contractor's name and address, and/or the sub-contractors, engineers, architects and other agents. Every such sign shall be removed from the property at the expiration of one year from the date of the issuance of a permit for such sign by the Council may, by resolution, grant an extension for a maximum of one additional year.
- b) One non-illuminated sign advertising a property for sale, rental, lease or sold may be erected on the property to be sold or leased not closer than 3.0 metres to any street line, and shall not exceed 0.6 m² in area. If a building exists on the lot closer to than 3.0 metres to the street line, such sign shall then be flat to the surface of the building. No permit shall be required for any such sign but such sign shall be removed within thirty (30) days after the property is sold.
- c) Notwithstanding the provisions of Section 16 of this by-law, a sign may be erected within a subdivision property advertising lots or units for sale in that subdivision provided that the sign shall not exceed a total of 6m² in area. Every such sign shall be placed not closer than 7.6 metres to any lot line. Every such sign shall be removed from the property at the expiration of one year from the date of the issuance of a permit for such sign but the Council may by resolution grant an extension for a maximum of one additional year.
- d) Notwithstanding the provisions of Section 16 of this by-law, election signs shall be permitted on private property only for a period commencing the day the electoral writ is issued and terminating on the relevant polling day, provided the said signs do not obstruct or interfere with the vision of vehicular traffic. No permit shall be required for such sign.
- e) Notwithstanding anything in this by-law, signs advertising yard sales, garage sales and/or open houses shall be permitted on private property only for a period not to exceed twelve consecutive hours provided that said signs do not obstruct or interfere with the vision of vehicular traffic. No permit shall be required for such signs. Such signs shall not measure more than 0.4 m² in area for each side.
- f) Notwithstanding the provisions of Section 16 of this by-law, a sign advertising Grand Openings or Limited Sales, for business or industries not located within the limits of the Municipality, may be permitted. Such sign shall be limited in size to a maximum of 6m² and not illuminated, located not closer than 15.2 metres from any street line nor closer than 15.2 metres to a side or rear lot line. Such sign shall be removed within thirty (30) days of the final day of the Grand Opening or Limited Sale but in no way shall be erected for a period longer than sixty (60) calendar days.

14. MAINTENANCE

The owner of land, building or structures upon which a sign is located (except lands owned by the Municipality), shall be responsible to ensure that every such sign (together with the sign structure and component parts) is kept in good repair and in a safe condition at all times and is properly maintained so that the message contained thereon is complete and legible at all times.

15. REMOVAL OF SIGNS

- a) The CBO or such person or persons as is (are) authorized by the CBO is (are) hereby authorized to pull down or remove any sign or other advertising device that is erected or displayed in contravention of any of the provisions of this by-law, at the expense of the owner of such sign or other advertising device.
- b) The CBO may require, by written notice, any person who:
 - i) has caused a sign or other advertising device to be erected, displayed, altered or repaired without first obtaining a permit to do so; or
 - ii) having obtained a permit has caused a sign or other advertising device to be erected, displayed, altered or repaired contrary to the approved plans in respect of which the permit is issued, to make such sign or advertising device comply with this by-law on or before the date specified in such notice, which date shall be a minimum of ten (10) days from the date of requirements of such notice to the satisfaction of the CBO within the time frame specified in such notice, the CBO or such person or persons as is (are) authorized by the CBO shall be entitled to pull down or remove or arrange to pull down or remove such sign or advertising device at the expense of such person.
- c) The remedies of this Section shall be in addition to any other remedy available to the Municipality.
- d) Neither the CBO nor the Municipality nor any of its employees, workmen or agents shall be liable for any damages whatsoever or howsoever caused to any sign or other advertising device which is pulled down or removed by or under the direction of the CBO.

16. ADDITIONAL SIGN REQUIREMENTS FOR DEFINED AREAS

In addition to the other requirements of this by-law, the following provisions, restrictions and regulations shall apply in the zones hereinafter described. The CBO and /or assistants, may, from time to time and at reasonable hours, enter into and upon any premises upon which a marquee, sign or other advertising device is erected or placed for the purpose of inspecting it.

18. APPLICABILITY OF BY-LAW

Within thirty (30) days of the passage of this by-law, all signs existing in the limit of the Municipality shall be registered with the CBO. Such registration shall include a shop drawing or photograph (with dimensions) of said sign indicating it's location, supporting structure if any, material of construction and whether it is illuminated or non-illuminated. Any sign not so registered shall be deemed to be new and shall follow the requirements for permit application.

19. HOLD HARMLESS

The provisions of this by-law shall not be construed as relieving or limiting the responsibility or liability of any person erecting, placing or owning any sign, marquee or other advertising device from personal injury or property damage resulting from the negligence or willful acts of such person, his agents or employees, in the construction, erection, maintenance, repair or removal of any sign or other advertising device; nor shall any responsibility or liability be imposed on the Municipality or it's officers or employees by reason of the approval of any signs, materials or other advertising devices under the provisions of this by-law.

20. OFFENCES AND FINES

Every person who contravenes any provisions of this by-law shall be guilty of an offence and upon conviction shall be liable to a fine. Each day in which a contravention of this by-law is continued or permitted to continue shall constitute a separate offence and shall be punishable as such under the Provincial Offences Act. This shall not act as a bar to the Municipality from any other remedies available to it.

21. ZONING BY-LAW CONFLICTS

This by-law shall be construed as being in addition to the provisions of the former Village of Colborne Zoning By-Law, and the Township of Cramahe Zoning By-Law applicable to the lands affected, and in the case of any conflict between this by-law and the Zoning By-Laws, the most restrictive by-law provision shall apply.

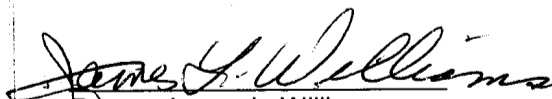

22. SEVERABILITY

If any portion or requirement of this by-law or the application thereof to any person shall to any extent be held to be invalid or unenforceable, the remainder of this by-law, or the application of such provision or requirement to all persons other than those to which it is held to be invalid or unenforceable, shall not be affected thereby and each provision and requirement of this by-law shall be separately valid and enforceable to the fullest extent permitted by law.

23. The Council of the Municipality may, upon the application of any person, club or charitable organization or group, authorize minor variances from the provisions of this by-law if in the sole and absolute opinion of the council the general intent and purpose of this by-law is maintained.

This By-Law shall come into force and effect this 19th day of February, 2002.

Village of Colborne By-Law Number 95-14 is hereby repealed.
