This agreement will be administered by the Parks, Recreation and Facilities Department.

Spaces available are at the discretion of the applicable Department of Parks Recreation and Facilities Manager or designate.

Advertisers are responsible for the costs of advertisements and all associated protective coverings and materials. Types of materials will be determined by the Township based on facility/parks requirements. If advertisements become damaged, a replacement will be requested by the Parks, Recreation and Facilities Department. All replacement costs are the responsibility of the advertiser.

All advertisements must be reviewed in advance of sign production by the applicable Department Manager or designate. The Township reserves the right to reject layout and design should it impede playing surfaces or not comply with policies.

Contracts for advertisements are issued on a yearly basis. Fees are based on a calendar year and may be prorated where applicable. Fees for advertising are determined and included in the Township of Cramahe Fees and Charges By-Laws as approved by the Council.
