Purpose and Effect of the Consent

The applicant is seeking approval for a certificate of deletion to reverse a previously approved severance. This would revert the subject lands back to a single large agricultural parcel.

The severed and retained lands dimensions are as follows:

Lot	Frontage	Area	Structures
Original Retained	+/- 280 metres	39.23 Ha	None
Original Severed	0 metres	0.43 Ha	None

The retained lands have an area of approximately 39.23 hectares with approximately 280 metres of frontage along Mitchell Road and are currently vacant farmland. The severed lands have an area of approximately 0.43 hectares with no of frontage along a municipally maintained road. The applicant is applying to have the severance deleted which sees the severed lands returned to the original retained lands resulting in one complete parcel. The deletion of the severed parcel will remove a parcel that can not be developed.
