Location of the Subject Lands

The lands subject to the proposed application are legally described as CON 1 PT LOT 29 RD PLAN 30, and known locally as 25 Streamside Drive, Colborne. The lands have an existing Single Detached dwelling, an accessory building in the rear yard, and an existing non-complying deck in the side yard. The subject lands are zoned Residential-1 (R1). An aerial image is attached showing the location of the subject lands.

Purpose and Effect of the Minor Variance

The Township has received an application for a Minor Variance (File No D13-WIL-04-26). The purpose of the application is to permit the reconstruction of an existing non-complying deck. The application requests relief from Section 8.2.5 of the Zoning By-law which requires a minimum Side Yard setback of 1.2 metres for lots with public water and sewage services. The applicant is requesting relief from Section 8.2.5 by reducing the Side Yard width from 1.2m to 0.25m for the proposed reconstruction, so to rebuild the deck to its current width.
